SUBJECT: Referral No. 1686 - ZONING CHANGE OF BLOCK BOUNDED ON THE NORTH BY HARTFORD AVENUE, ON THE WEST BY ETNA STREET, ON THE SOUTH BY CLEVELAND STREET AND ON THE EAST BY HEATH STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, July 30, 1968.

This referral is a request for zoning changes as follows: Plat 107, Lot Nos. 394, 397, 398 and 399 to be changed from C-1 (limited commercial) to C-4 (heavy commercial). Plat 107, Lot Nos. 395, 396, 400 and 401 to be changed from R-2 (two-family) to C-4. All of the lots here listed make up one block bounded on the north by Hartford Avenue, on the west by Etna Street, on the south by Cleveland Street and on the east by Heath Street. The proposed zoning for this block is GB (general business).

On an inspection and photographic survey it was determined that Lots 395, 396, 400 and 401 contain a laundry. Lots 397, 398, and 399 are vacant, and Lot 394 contains a commercial building housing a liquor package store and a barber shop. The portion of Cleveland Street bordering the block in question does not exist as a street but is undeveloped, overgrown with weeds and cluttered with debris. The predominant feature of the neighborhood is the Hartford Park City Housing Project.

Since the portions of this property presently zoned R-2 in fact contain a legally located C-4 usage, and in view of the existing irregular zone boundaries,

The Commission

VOTED: To offer no objection to the reorganization of the zoning in this block to form one solid C-4 Zone.

SB:MMH

Very truly yours,

cc: Councilman William J. Murphy

SUBJECT: Referral No. 1690 - ZONING CHANGES OF CERTAIN LOTS LOCATED ALONG  
CASS STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, September 10, 1968.

This referral is a request to change the zoning of Lots 221, 323, and 175 on Assessor's Plat 57 and on that portion of Cass Street from Eddy Street westerly to a point 130 feet east of O'Connor Street which was abandoned by Council action of 7/18/68, from R-3 (general residence) to M-1 (general industrial). The proposed zone shows this property to be zoned ML-2 (light manufacturing).

On an inspection and photographic survey it was determined that Lot 323 contains a large newly constructed industrial building, one smaller building and a large parking area. Lot 175 contains a small industrial building and Lot 221 contains a 1½-story dwelling in fair condition.

Since this petition is in accord with the proposed zoning and since the property in question is presently occupied by a legal industrial operation,

The Commission

VOTED: To offer no objections to the granting of this petition.

Very truly yours,

I, WILFRID E. McKENNA, of Providence, Rhode Island, attorney for Federal Products Corporation and Nora A. Carroll, make affidavit and say that due to the action of the City Council in abandoning a certain area of Cass Street, Providence, Rhode Island, there has been a substantial change of circumstances, which change motivates the filing of the accompanying petition for rezoning of Lots 323, 221 and 175 on A. P. 57, together with such abandoned area of Cass Street, so as to constitute a valid ground for a requested change from the present R-3 area to an M-1 zone, thus centralizing the industrial location area and preserving intact the area actually dedicated to an R-3 use; and that the City Council is hereby respectfully urged to accept and to grant said petition.

At Providence, Rhode Island, this 5th day of August, A. D. 1968.

Wilfrid E. McKenna  
Attorney for Federal Products  
Corporation and Nora A. Carroll

Subscribed and sworn to before me at Providence, Rhode Island, this 5th day of August, A. D. 1968.
