The Honorable City Council  
Committee on Public Works  
City Hall  
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has received the following request from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer cause "STOP" signs to be erected at the intersection of Huron Street and Wisdom Avenue.

Disposition: Denied. Due to the low traffic volumes and excellent accident history, no action is warranted at this time.

Very truly yours,
