## RHODE ISLAND PUBLIC EXPENDITURE COUNCIL

126 North Main Street • Providence, Rhode Island 02903 • (401) 521-6320

June 4, 1981

Councilman Joseph R. Paolino, Jr.  
253 Broadway  
Providence, Rhode Island 02903

Dear Councilman Paolino:

This letter is in response to your question as to whether the currently proposed contract to repair the municipal swimming pools constitutes an emergency.

The Providence Review Commission has informed the Board of Contract and Supply that the Board is responsible for determining if an emergency exists, not the Review Commission. In the case of the proposed repairs to the swimming pools, the Board requested our opinion as to whether an emergency existed. In response to this question, I indicated that the need to repair the swimming pools in order that they may be open as scheduled in June could be reasonably considered an emergency. This observation was of a policy nature and not based on a review or knowledge of the specific contract that the Board of Contract and Supply has before it.

Finally, it is the PRC's hope that effective planning procedures will minimize the need for the Board of Contract and Supply to consider emergency requests of this nature in the future.

Sincerely,

Gary S. Sasse, Chairman  
Providence Review Commission

**MEMORANDUM**

DATE: June 9, 1981

TO: City Solicitor John Rotondi

SUBJECT: REQUEST FOR LEGAL OPINION

CONSIDERED BY: Councilwoman Carolyn F. Brassil, Chairwoman - Committee on Finance

DISPOSITION:

Pending before the above named Committee is an Ordinance transferring \$100,000 from Pensioner's Laborers International Fund to Public Buildings, Administration and Maintenance.

This Ordinance is for the repairs to the various pools.

A legal opinion is requested as soon as practical as to the legality of transferring money from the Laborer's Fund or whether transferring money from Union's allotment will create problems.

If a response is received prior to Docket deadline, the Committee can then vote that Ordinance out of Committee.

Dear Councilwoman Brassil:

I am writing you in response to the Finance Committee's request on monies available in the Pensioner's Laborers International Fund (1-11-05-382).

As of June 16th the Fund has \$257,383.00 available with one final payment due to the Union in June of approximately \$85,000.00. This would leave the City with funds of at least \$170,000.00 in the Budget.

Sincerely,
