Honorable City Council
City Hall
Providence, R.I.

Gentlemen:

We have completed our investigation which you requested of the need for STOP control at the intersection of Priscilla Avenue and Wallace Street.

Our study showed very low volumes of traffic on both of these streets. In addition there have been only 3 reported accidents at this location in the past 4 years.

Accordingly we do not recommend the installation of STOP or YIELD signs at this intersection.

Very truly yours,
