

THE CITY OF PROVIDENCE  
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

# RESOLUTION OF THE CITY COUNCIL

No. 640

Approved December 12, 1984

WHEREAS, our most esteemed City Clerk, Rose Mendonca, was suddenly taken ill recently, and

WHEREAS, there were those in our City who had become so reliant on her many talents, that they believed it might be best to "close down City Hall," in her absence, and

WHEREAS, these "doubting Thomas's", these purveyors of doom, were proven most mistaken by the superb performance of the City Clerk's Department over these last few weeks, and

WHEREAS, rather than reducing the performance of the City Clerk's Department, the absence of the City Clerk gave her faithful employees who have labored so efficiently and with such dedication over the years an opportunity to display their own professionalism; they rose to this occasion, as they have in the past, and are to be commended for it, and

NOW, THEREFORE, BE IT RESOLVED, That the members of the City Council do hereby commend and congratulate each member of the City Clerk's staff for their performance over these last few weeks, and for the dedication they have displayed over the years.

BE IT FURTHER RESOLVED, that nothing contained in this Resolution is to be interpreted by our esteemed City Clerk as an indication that the City could do without her services on an extended basis,

AND BE IT FURTHER RESOLVED, that the aforementioned "doubting Thomas's" are to be provided with sufficient salt and other condiments with which to "eat their crow."
