

THE PROVIDENCE SCHOOL COMMITTEE  
150 WASHINGTON STREET  
PROVIDENCE, RHODE ISLAND 02903

March 27, 1978

Councilman Robert J. Haxton  
President Providence City Council  
Providence City Hall  
Providence, Rhode Island 02903

Dear Councilman Haxton:

The Providence School Department is indeed appreciative of the special appropriations provided by the Providence City Council for the repair and maintenance of Providence Schools. In order that you might be informed as to how those monies will be spent (\$150,000), I am enclosing a plan of scheduled repairs. Although these repairs will not correct the vast number of physical problems existing in our buildings, they will relieve some of the emergency conditions presently existing.

Sincerely,

Edward T. Donilin  
Chairman
