RESOLVED, DECREED AND ORDERED:

That the following named street shown as cross-hatched area on the accompanying plan entitled: "Providence, Rhode Island, Department of Public Works-Engineering Office, Street Line Section Plan No. 064485 dated March 13, 1990",

VIZ:

Garnet Street, (portion of) from Weybosset Street to Pine Street, shown as cross-hatched area on the accompanying plan and designated by the letters (A-B-C-D-A) having ceased to be useful to the public and the same is proposed to be abandoned as a Public Highway, provided that a full sewer easement is granted for the 12 inch sanitary sewer, an easement be granted to the Water Supply Board to provide unrestricted access over the full width of the street, and an easement be granted to the Providence Gas Company for its mains and the damage to the abutters is appraised at nothing and so awarded, and it is further

ORDERED, That the Traffic Engineer be, and he is hereby directed to cause a sign to be placed on the above-named highway abandoned as aforesaid, having thereon the words, "Not a Public Highway", and it is further

ORDERED, That after the entry of this order or decree, the City Clerk shall cause a notice, thereof, to be published in a newspaper published in the County of Providence at least once a week for three successive weeks, and a further and personal notice shall be served by the City Sergeant upon every owner of land abutting the above-named highway which has been abandoned, who is known to reside within the State.

Dear Councilman Petrosinelli:

This department has no objection to the abandonment of Garnet Street as shown on Plan Entitled, Providence, R.I., P.W. Dept. - Engineering Office, Street Line Section, Plan No. 064485, Date: 3/13/90.

It is noted that a full sewer easement is required regarding the 12-inch sanitary sewer located in Garnet Street. Abandonment represents cross-hatched area designated by the letters A-B-C-D-A on the afore-mentioned plan.

If we can further assist you regarding this matter, please advise.

RE: Abandonment of Garnet Street, between Weybosset  
and Friendship Sts; John P. Hawkins, Applicant

-----

A petition dated February 26, 1990 to abandon Garnet Street between Weybosset and Pine Streets and Pine and Friendship Streets has been referred to PWSB for review and comment.

The Water Supply Board serves a number of properties from facilities within the proposed abandonment. The water system includes a six-inch cast iron main with appurtenances to include two hydrants, six water services of which two are currently active, and two gate valves. See enclosed diagram.

The Water Supply Board must ensure existing customers a continuous potable water supply and public fire protection, and must protect the investment in current facilities.

Based on the data provided to us for review the alternatives are:

1. Deny proposed abandonment
2. Applicant complete financial arrangements satisfactory to PWSB for:
  - 2.1 The cost of engineering construction and related right-of-way services for relocating existing facilities.

Councilman James Petrosinelli  
May 14, 1990  
Page 2

- 2.2 The unused value of existing facilities that would be abandoned under this option.
3. As a third alternative, we will agree to the abandonment providing that an easement is granted to the Water Supply Board. The easement should provide unrestricted access over the full width of the street. The easement should follow format of the standard easement language as attached, and upon review by the Water Supply Board, be properly executed and recorded.

# The City Plan Commission

44 WASHINGTON STREET

PROVIDENCE, RHODE ISLAND 02903

May 21, 1990

Committee on Public Works  
c/o City Clerk  
Providence, Rhode Island 02903

Attention: Rose M. Mendonca, City Clerk

RE: Referral No. 3018 - Abandonment of Garnet Street

Gentlemen:

The City Plan Commission at its May 16, 1990 regular monthly meeting reviewed and evaluated the requested abandonment of Garnet Street from Weybosset Street to Friendship Street.

The petitioner is Mr. Sheldon L. Gerber, Managing General Partner of City Place Associates represented by its Attorney John P. Hawkins, 134 Francis Street, Providence, Rhode Island.

A field inspection revealed that Garnet Street is a paved public right-of-way with curbs and sidewalks on both sides. The subject street is surrounded by four lots: 284, 254, 293 and 305. Lot 284 is vacant and is being presently excavated (former site of Outlet Store), Lot 293 contains a six story concrete parking garage structure (former Outlet Store parking garage); both above lots are owned by the City Place Associates.

Lot 254 contains a seven story brick structure owned by Johnson and Wales College, Lot 305 is used as a paved surface parking area owned by Gil Parking Company, 55 Fortin Drive, Woonsocket, Rhode Island.

Since the Johnson and Wales College has intentions to construct a dormitory complex on Lot 284, the Commission voted to advise the Committee on Public Works that no objection is offered to the abandonment of a portion of Garnet Street located between Weybosset Street and Pine Street under the condition that all appropriate utility easements will be granted.

PAGE 2  
COMMITTEE ON PUBLIC WORKS  
REFERRAL NO. 3018  
MAY 21, 1990

The portion of Garnet Street between Pine Street and Friendship Street shall remain as a public right-of-way, since its abandonment at this time does not meet the City Plan Commission's criteria for street, highway and right-of-way abandonment.

Re: Resolution #41, August 2, 1990, City Council meeting concerning abandonment of Garnet Street between Weybosset and Pine streets.

We the undersigned respectfully give notice that we did not know of the public hearing concerning the abandonment of Garnet Street. Even though legal notice was apparently given in the newspaper, we contend that adequate notice was not given and as concerned parties of this action by the City Council we request a right to be heard. Please table the vote on this issue and return it to committee until another public hearing can be scheduled, at which, you can be sure, we will be present.

The abandonment of a public street in the center of downtown Providence for the purposes of grass and pedestrian traffic is not something to be decided hastily. The resulting congestion of traffic that could take place from the interruption of traffic flow is one more reason to make downtown an unpleasant place to do business.

During those numerous occasions when Pine street is closed to allow the loading of stage equipment for shows at the Providence Performing Arts Center, traffic has no access to Weybosset from the east side of the street. The series of one-way streets in downtown Providence makes every street an important part of the traffic flow problem. The purposes of abandoning Garnet street to the exclusive use of Johnson and Wales University at this time makes absolutely no sense since the properties that they are proposing to buy are not yet purchased and, in fact, financing is not yet in place for those purchases, so the abandonment of Garnet street is indeed premature. There certainly needs to be an important reason behind the closing of a regularly used downtown city street. Thus far none has been presented.

The connection between the proposed Johnson and Wales complex on the Outlet site and the McNulty Hall building does not necessarily need to be connected by a grassy mall area. That connection can be accomplished while leaving the street in tact by constructing a second floor pedestrian overpass. In fact, it seems that McNulty Hall is hardly a large enough complex requiring such an extensive "mall" walkway between the two structures, as proposed.

How Johnson and Wales is able to secure abandonment of a city street well needed to city traffic-flow is a question which needs to be asked? Will the street be placed on the tax rolls? We should be addressing, instead, the re-opening of Eddy street which was closed when the Outlet company was in operation and the Broadcast House was under construction.

Therefore, once again, we the undersigned respectfully request the Providence City Council refer this resolution back to the committee for further study. The undersigned are members of the business community along Weybosset street and interested parties favorable to the postponement of this resolution to an adequate public hearing.
