Councilman

The following memos are Responses to resolutions 1 through 9 to be heard at 10/2/17 Public Works Committee Meeting

1. Resolution Requesting the Traffic Engineer to cause the installation of a "Please Do Not Block Driveway" Sign located at 119 Florence Street.

Response: We generally do not install these types of signs as we feel this is an enforcement issue if a vehicle is parked at a driveway entrance. Earlier this year a "No Parking to Corner" sign was installed to prevent parking from the driveway at 119 Florence to Amherst St.
