**SUBJECT: Referral No. 857 - ZONING CHANGE ON NORTHEASTERLY SIDE OF
SMITH STREET**

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, October 30, 1956.

This referral is a request for a change in zoning from a C-1 Zone to a C-2 Zone of Lot 135 on Assessor's Plat 122 located on the northeasterly side of Smith Street. The area in question contains 6,204 square feet.

On the field trip it was found that the area in question is at present vacant with the exception of trees and vegetation.

The establishment of a C-2 Zone in this particular area would be highly undesirable and would create a serious case of spot zoning.

The Commission

VOTED: To recommend that this petition be denied.

SUBJECT: Referral No. 855 - ZONING CHANGE AT 1090 WESTMINSTER STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, September 25, 1956.

This referral is a request for a change in zoning from a C-2 Zone to an M-1 Zone of a portion of Lot 224 on Assessor's Plat 29 located at the southeasterly corner of Westminster and Coddington Streets.

On the field trip it was found that the area in question is occupied by a restaurant and an antique shop with two apartments above.

The granting of this petition would allow the extension of an M-1 Zone into a C-2 Zone along a main traffic artery. Therefore,

The Commission

VOTED: To recommend that this petition be denied because the proposed zoning change in the area is undesirable and unwarranted.

RESOLUTION OF THE CITY COUNCIL

No. 640 - N.P.

Resolved,

That the President of the City Council

AND BE IT FURTHER RESOLVED

THAT hearings be conducted by this committee to determine if any legislation requested of the General Assembly by the City was "maliciously designed to be unworkable" and that certain persons representing certain interests, inserted provisions in the enabling legislation that would deliberately make such legislation unfeasible.
