Re: **April 13, 2015 Agenda Items**

<i>Agenda Item No.</i>	<i>Description</i>	<i>Department Response</i>
2.	Resolution Requesting the Traffic Engineer to cause the removal of Four (4) Parking Meters and to cause the installation of "Loading Zone Only" Signs at 3 Regency Plaza.	The Department of Public Works finds that the elimination of four spaces for a loading zone is excessive and does not support this resolution; however, we would consider an alternate request that does not eliminate as metered spaces
3.	Resolution Requesting the Traffic Engineer to cause the installation of "No Thru Trucks" Signs on Linton Street between Academy Avenue and Canton Street.	The Department of Public Works has no objection to this request. A Work Order will be generated.
4.	Resolution Requesting the Traffic Engineer to cause Parking on One Side of the Street Only on Progress Avenue from Whitehall Street to Webster Avenue.	The Department of Public Works has no objection to this request. For efficiency, the signs will be installed on existing utility poles. A Work Order will be generated.
5.	Resolution Requesting the Traffic Engineer to cause the installation of a "15 Minute Parking" Sign located at 113 Valley Street.	The Department of Public Works has no objection to this request. A Work Order will be generated.
