## ROLL CALL

### INVOCATION

The Invocation is given by **COUNCILMAN NICHOLAS J. NARDUCCI, JR.**

"May we think tonight of the future we will hold with the summer months coming up. Today, we had a press release on redoing some parks. We need to keep our children busy, we need to keep our children off the streets and give them things to do for the summer. So, I urge all of my colleagues to do whatever we need to do. Make sure our pools and water parks are up and running. I just want to again take a moment and just pray for all of us. I just have to say one thing, today I was watching the Ellen Show and since I have a lot of time during the day Ellen has become my best friend. They had this little boy on that needed a heart transplant. If you saw this kid he was only five years old. He spoke like he was a twenty one year old child and to listen to him speak the way he spoke. He never gave up. He always worked hard at what he was doing and now he needs other surgeries that he couldn't get until he got a heart, and I looked at myself and said you know what, I am going to sit here and say my hand doesn't feel that good today, my leg doesn't feel that good today and I look at someone like him and I wish everybody could have the thoughts and the power of this young man. Maybe that's something we should all keep in the back of our heads also. As we go on, and as things don't look good for us, whatever our situations may be that there are others in worse situations and we should all be looking to reach a hand out just to help. With You Lord, maybe You can oversee us that we all do our part. Thank you."

Resolution in Support of Legislation Restoring Funding for State Aid to Libraries.

**WHEREAS**, For many people, public libraries are their primary means of access to computer services and all forms of media, and free educational and cultural programming that are essential for fulfilling and productive lives; and

**WHEREAS**, In recognition of the importance of libraries in our society, the State of Rhode Island passed legislation setting the level of state aid for library services at a minimum of 25% of the amount spent from local tax funds and the library's private endowment; and

**WHEREAS**, Due to level funding of state aid for the past 8 years, the actual funding percentage of library aid has been reduced to 21.2% in fiscal year 2017, when the City of Providence is scheduled to receive \$1,149,685 to fund public library services in the city, which is approximately \$208,000 less than the City of Providence would receive if funding is at 25%; and

**WHEREAS**, The City of Providence supports fully funding state aid to libraries at the 25% level in fiscal year 2017.

**NOW, THEREFORE, BE IT RESOLVED**, That the Providence City Council, at the request of the Providence Community Library and the Providence Public Library, does hereby support legislation which would restore funding for state aid to libraries to the full 25% required in Rhode Island General Laws Section 29-6-2 (a) and urges the Providence Delegation to the General Assembly to work diligently for its passage.
