Petition for Stricter Laws on Drinking and Driving

We, the undersigned, are in favor of stricter laws on drinking and driving, stiffer punishments on those who are caught drinking and driving, and minors who are caught with possession of alcohol. We have been made aware of the consequences of drunk driving due to the tragedy that has occurred in our community where we lost Katie DeCubellis and Marsha Bowman. In order to prevent another tragedy such as the one faced by the residents of South County, we respectfully ask that the Rhode Island State Legislature review the drinking and driving laws and enact tougher drunk driving punishments.
