Dear Councilman Matera:

Under date of October 28 we received an official memorandum from the City Clerk's Office regarding the proposed abandonment of a portion of Christopher Street. This represented a certain triangular parcel on the northerly line of Christopher Street about 330 ft. west of Windmill Street. In checking our distribution records, we find that the abandonment of this triangular portion of Christopher Street will not affect our facilities and we have no objection to the abandonment whatsoever.

Yours very truly,
