Mr. Golden and
Mr. McOsker, by request

We, the undersigned, urgently request the transfer of station of the School Crossing Guard (now located at the corner of Roger Williams and Reservoir Avenues) to a more centrally located station at the intersection of Alexander Street and Roger Williams Avenue.

By this move, the more heavily populated area of school children on the SOUTH side of Roger Williams Avenue would be serviced without necessitating extended walking or the hazard of unguarded short-cuts by these children.

Re : Memorandum dated January 19, 1965

Relative to your memorandum dated January 19, 1965 on the request to change Major Street to Central Street, please be advised that the request of the Jones Warehouse, Inc. appears very appropriate and we would interpose no objection to the changing of the street name.

Mr. Vincent Vespia, City Clerk,
City Hall.
Providence, R. I.

Dear Mr. Vespia:

With the proposed abandonment of Central St at the south end of our warehouse 67 Central St., it would help us very much to have Major St changed to Central St (an extension) to made it end at Broad St. which is well known and makes an easy entrance for strangers and the many out of state truckers who deliver at our warehouses and the Lutz Engineering property next to us and across the street. If you or the City Council would like to have us present when this matter comes up, do let us know.

The present land owners on Major St are Lutz Engineering, The Trinity M.E. Church and the Providence Redevelopment Agency, and Dr. Joseph C. Johnson. These good friends and neighbors of ours will be pleased to cooperate in the change above.

Very truly yours
