Re: Silver Spring Industrial Park

Dear Councilman:

The Providence Redevelopment Agency has, as you know, developed the Silver Spring Industrial Park. In doing so, it has created two streets which must be assigned names.

In as much as the Providence Redevelopment Agency has sold two parcels and one building has already been constructed, it becomes necessary that the Council act as expeditiously as possible in naming these streets. The Agency has voted to recommend to the Honorable Council two names. The entrance street which runs east to west would be called Felix Mirando Way, and the other street which runs north to south would be called Royal Little Drive. Enclosed please find map.

Should you have any questions concerning this matter please call me.

Sincerely,

Thomas V. Moses, Esq.
