Re: **September 28, 2016 Agenda Items**

In response to Agenda Item No. 6:

Resolution Requesting the Traffic Engineer to cause the installation of "Four-Way Stop" Signs at the intersection of Pavilion Avenue and Rugby Street.

Please note:

Based on observations and a search of accident history, there is no legitimate reason to convert this intersection to a four-way STOP. Neither volume, speed or accident history rise to the federal requirements for an all-way stop.

For these reasons, we respectfully decline to erect additional stop signs at this location.
