SUBJECT: Referral No. 1832 - Abandonment of portion of LaSalle Square

Gentlemen:

This petition from the Committee on Public Works is a proposal for the abandonment of a portion of LaSalle Square. The proposed abandonment is a roughly semi-circular area containing approximately 9500 sq. ft. located adjacent to the western boundary of Lot 126 on Assessor's Plat 25. The petition is presented by the Providence Redevelopment Agency as part of its plan for the redevelopment of the Weybosset Hill area.

Inspection revealed that the land in question is not presently in use as a public highway. The proposed abandonment is part of a carefully considered plan for land use and circulation in this area.

Upon motion of Mr. Mascia seconded by Mr. Zuccarelli

The Commission

VOTED: That in view of the Traffic Engineer's recommendation, no objection was offered to the granting of this petition.

Very truly yours,
