The Honorable City Council  
Committee on Public Works  
City Hall  
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: To cause the installation of a traffic signal device at the intersection of Laurel Hill Avenue and Union Avenue.

Disposition: There appears to be warrants for a traffic signal installation. We will place it on our list of locations to be installed and considered subject to the availability of funds.

Very truly yours,

A handwritten signature in cursive script, reading "Frank A. Tibaldi".
