Re: Designated Deputy to Board of Contract and Supply

Dear Ms. Stetson:

The Providence Home Rule Charter describes, in Section 1007, the membership of the Board of Contract and Supply. After enumerating a series of city officials, the Charter notes, "In the absence of any of the above-named members, a deputy shall serve in the place of said member."

As President of the Providence City Council, I hereby appoint Jake Bissailon as my deputy for the purpose of participating in the Board of Contract and Supply meetings.

Very truly yours,

Michael Solomon, President
Providence City Council
