The Honorable Members  
The City Council  
The City of Providence  
City Hall  
Providence, Rhode Island 02903

Dear Honorable Members:

I hereby disapprove and veto "An Ordinance in Amendment of Chapter 1979-32, Approved June 22, 1979, Entitled, 'An Ordinance Establishing the Classes of Positions, the Maximum Number of Employees and the Number of Employees in Certain Classes in the City Departments', Relative to Various Departments, as Amended," and "An Ordinance in Amendment of Chapter 1979-31, Approved June 22, 1979 entitled, 'An Ordinance Establishing a Compensation Plan for the City of Providence and Repealing Chapter 1978-20, Approved July 28, 1978', Relative to Various Departments, as Amended"

These ordinances were originally proposed by the Administration after lengthy discussions during negotiations with the Union for the collective bargaining agreement.

Initially it was determined that the Union request would not have an impact on our Fiscal Year 1979-1980 Budget, as these amended ordinances have ultimately produced.

Since the Administration's introduction of these ordinances and the subsequent City Council hearings on said ordinances commenced, many additional unanticipated personnel grievances and grade change requests have been brought before both the Administration and the City Council Committee on Finance.

Upon my veto of these ordinances, it is my intention to have the Administration, in conjunction with Union officials,

The Honorable Members  
November 9, 1979

study and review both the Personnel Compensation and Classification Plans and present to the City Council revised Compensation and Classification Plans upon a thorough review of all job titles and job specifications.

It is certainly not my intention to deprive any employee of the just compensation due to that employee for the job he or she performs.

In fairness to all of our dedicated municipal employees and to the citizens of the City of Providence, I must veto these measures and await a comprehensive review of the Personnel Compensation and Classification Plans.

Sincerely,

  
VINCENT A. CIANCI, JR.,  
Mayor of Providence
