Dear Councilman;

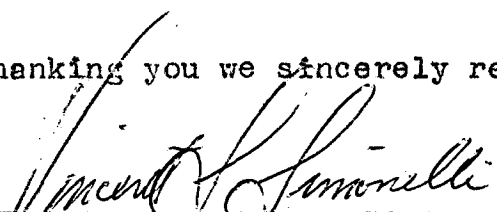

The Federal Hill Business Men's Association was informed that the Mercury Lights on Atwells Ave Business District was going to be changed Dec. 73 and was extended to January 74 due to street decorations this is in reference to the new mercury lights.

We are concerned as to when these lights will be changed.

These lights are extremely important to the business merchants to provide safety to our citizens and to discourage vandalism.

Your immediate attention to this matter will be greatly appreciated.

Thanking you we sincerely remain,

Vincent S. Simonelli-Sec. FHBA
