COUNCILMAN GORODETSKY addresses **COUNCIL PRESIDENT HAXTON** to the fact that invitations were transmitted to Everett A. Trivisono as Director of the Department of Public Property and Michael J. Farina as Acting Director of Department of Public Property, to appear before this meeting of the City Council for questioning regarding City Business.

Council on February 6, 1975, please be advised that I have pressing personal matters to be attended to making it impossible for me to attend the meeting.

Very truly yours,

EVERETT A. TRIVISONO
Director

COUNCILMAN GORODETSKY further states that the Clerk has correspondence addressed to the Honorable Members of the City Council from these two gentlemen.

COUNCIL PRESIDENT HAXTON directs the Clerk to read the same, as follows:

February 5 1975

Hon. Robert Haxton
Council President
c/o Clerk's Office
City Hall
Providence, R. I. 02903

Dear Mayor Cianci:

Dear Bob:

Please accept this letter as notice of my resignation as Director of Public Property for the City of Providence, effective today.

Per your invitation to appear before the City

I also want to take this opportunity to say

that I have been very proud to serve the City and the Doorley administration for the last ten years.

Very truly yours,

February 6, 1975

The Honorable Members of the
Providence City Council
City Hall
Providence, Rhode Island

Dear Members:

After review of Council President pro tempore Ralph Fagnoli's letter of February 4, 1975, he advised that I wish not to appear at the Council Meeting scheduled for February 6, 1975.

I am taking this action at this time pursuant to the Council Rules adopted by the Honorable City Council since my letter of appointment as Acting Director of the Department of Public Property was returned by the City Council as not having been received. The Council has demonstrated by this action that they do not consider me to be an Acting Director of this Department, since they do not, the Council under Rule 8 has no jurisdiction over me and by the very fact that the aforementioned letter of February 4 indi-

cates that I am to appear before the Council to explain my "assumed status" I feel this is nothing more than harrassment.

I stand ready to appear before you at any time that you recognize the validity of my appointment as Acting Director of Public Property, which was made by the Mayor pursuant to the Charter of the City of Providence.

With respect to your questioning of me as to my "assumed status" as Personnel Director, again the communication informing you of my appointment by Mr. Vincent Izzo to this position was evidently overlooked by the Council President. Enclosed is a Xerox copy of a letter dated February 5, 1975, confirming my appointment as of January 8, 1975.

Again, once the City Council recognizes the legitimacy of my appointment, I will be duty bound to appear subject to Council Rule 8 of the City Council of the City of Providence, and the various provisions as that appear in the City Charter of the City of Providence.

Sincerely,
MICHAEL J. FARINA

Severally Received.
