Dear Sir:

The Department of Public Works has a question regarding the abandonment of Williams Street from Gano Street to its easterly termination. The Department will ask for a legal opinion from the Law Department on CCR #315 approved June 15, 1925.

Until the time that a legal opinion is rendered this Department will not recommend that Williams Street be abandoned.

Sincerely,

A handwritten signature in dark ink, appearing to read "James F. Lembo", is written over a horizontal line.

Dear Councilman Flynn:

This department received a copy of a petition for the abandonment of a portion of Williams Street from Gano Street in an easterly direction to its termination.

A review of our distribution system shows that the Water Supply Board does not have any water mains or water utilities in the portion to be abandoned; therefore, have no objection to the granting of this petition.

Very truly yours,

Re: Referral No. 2037 - Abandonment Portion of Williams Street

Gentlemen:

The City Plan Commission at its October 28, 1980 regular meeting evaluated the petition for the abandonment of that portion of Williams Street from the easterly side of Gano Street running easterly to its termination. This petition was submitted by Richard Cote, who owns Lot 357 at the northerly side of the street and Lot 53 at the southerly side of that portion of Williams Street in question.

A field inspection revealed that only the westerly portion of that portion of Williams Street in question (100' in length) is an improved street with asphalt pavement and no curb. The remainder of the street is only a platted paper street and is a part of the existing Gano Street Playfield which contains a softball field, a soccer field, a basketball court and a play field with apparatus. There is a single family house at the northeasterly corner of Gano and Williams Streets, and there is a restaurant at the southeasterly corner of Gano and Williams Streets. Both properties are owned by the petitioner. There is only one vehicle access (Power St.) for the ballfields. If that portion of Williams Street were abandoned, it will preclude the possibility of using it as another vehicle access to the playfield and furthermore Lot 574 will become a landlock parcel. Therefore,

The Commission

Voted: - To recommend to the Committee that this petition be denied.

Very truly yours,

Stanley Bernstein

Gentlemen:

The following street abandonments have been received from your Committee and this department has taken the subsequent action:

Request: To condemn Williams Street from Gano Street in an easterly direction to its termination and grant said property to Richard Cote.

Disposition: No objection.

Request: To abandon as a public highway a portion of George M. Cohan Boulevard from Thompson Street westerly to its intersection with Armstrong Avenue and Brook Street.

Disposition: No objection.

Request: To abandon the cul-de-sac portion of Joseph Street consisting of approximately 2,303 square feet.

Disposition: No objection.

Request: To abandon as a public highway all of Sawin's Lane from its southerly terminal bordering the northerly border of Westminster Street for eleven feet, parallel to the easterly adjacent lot on said lot's westerly border, westerly parallel to the westerly adjacent lot on said lot's easterly border and northerly at its terminus south of and not adjacent to Washington Street.

Disposition: No objection.

Very truly yours,

Att: Committee on
Public Works

Gentlemen:

This office does not have objection to the abandonment of Williams Street, from Gano Street in an easterly direction to its termination, from the Public Safety point of view.

There is, however, no reason, in my opinion, to abandon this access portion to the City property at its termination.

The effect of such an abandonment will be to enrich private landowners. If you need more information, please advise.

Yours truly,

Sanford H. Gorodetsky

Subject: Petitions to abandon portions of Hanover, Manning and
Williams Street

Dear Sirs:

The Narragansett Electric Company presently has overhead electrical facilities on each proposed abandoned portion of the subject streets, including poles and wires for streetlighting on Hanover and Manning Streets (necessary if area lighting is required upon abandonment), a guy stub and guy wires on Williams Street which support pole lines on Gano and Williams Streets and guy wires on Hanover Street which support outrigged crossarms on Hanover Street at Dexter Street.

However, The Narragansett Electric Company will not object to the granting of said petitions, provided that in the event the petitions are granted, the Petitioners will convey easements acceptable to The Narragansett which will permit the retention of our facilities in existing locations on said streets, together with the right to inspect, maintain, operate and replace the same.

Re: Abandonment of Williams St. from Gano St. to Easterly Termination.

Dear Sir:

The Department of Public Works has asked for a legal opinion from the City Law Department on C.C.R. #315 approved June 15, 1925. It is the Department's opinion that portion of Williams Street has already been abandoned.

Until the time that a legal opinion has been rendered the Department will not recommend that Williams Street be abandoned. Please find enclosed a copy of our letter dated, December 29, 1980.
