Dear City Clerk Clement:

I am in receipt of your "Resolution of the City Council effective October 19, 1999" regarding the City of Providence and its interest in joining the Municipal Employees Retirement System of Rhode Island (MERS).

Please note that ERSRI (and MERS) currently contracts with Watson Wyatt of Dallas, Texas to provide actuarial services. As a non-participating municipality, the cost of any actuarial study is borne by the municipality.

In order to discuss the parameters of any desired study, you or the appropriate official should contact Frank Karpinski, ERSRI Assistant Director for Finance, at 222-2203, Extension 225. He can further explain to you the kind of information that will be required to complete an actuarial analysis and facilitate the process with our actuarial firm of Watson Wyatt.

If I can be of any additional assistance to you with regard to this issue, please do not hesitate to contact me.

With best wishes.

Sincerely,

Joann E. Flaminio
Executive Director
