Laurence K. Flynn, Chairman  
Committee on Public Works  
Providence City Council  
City Hall  
Providence, Rhode Island 02903

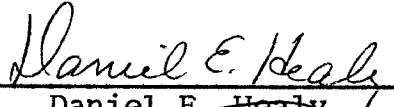

Dear Mr. Flynn:

Pursuant to the request of the Committee on Public Works, I have completed the forms on State Highway Entitlement Funds and forwarded them to the State Department of Transportation.

Upon examination of the form with streets listed, it is in accordance with the provisions of the public law, as enumerated, and mileage for the streets listed is accurate.

Although this entitlement does not completely cover the cost of sweeping and maintaining the list of streets, it is money that the City would have to expend under normal operating conditions. Unless a change in the law occurs upgrading the cost per mile with a maximum of \$10,000.00 in any year, I will continue to apply on a year to year basis for the maximum amount under the law for the City of Providence.

Very truly yours,

  
Daniel E. Healy  
Director of Public Works
