I, Rose M. Mendonca, received from Michael Maiello,  
61 Gesler Street Apt. 24, Providence, RI 02909, several  
Petitions requesting the installation to install Traffic  
Lights at the intersection of Atwells Avenue and Knight  
Street and Atwells Avenue and Sutton Street.

---

City of Providence

Rhode Island

Department of City Clerk

**MEMORANDUM**

DATE: December 12, 1986

TO: B. James Suzman, Traffic Engineer

SUBJECT: INSTALLATION OF TRAFFIC LIGHTS - ATWELLS AVENUE, KNIGHT STREET, AND  
ATWELLS AVENUE AND SUTTON STREET.

CONSIDERED BY: Committee on Public Works

DISPOSITION: Attached are copies of the subject petitions  
for your study and report back in writing to the said  
Committee as to what your recommendations are, relative  
to the above said matters.

Michael R. Clement,  
First Deputy **City Clerk**

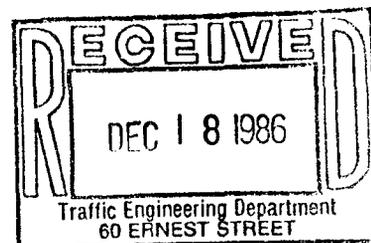

City of Providence

Rhode Island

Department of City Clerk

MEMORANDUM

DATE: December 12, 1986

TO: B. James Suzman, Traffic Engineer

SUBJECT: INSTALLATION OF TRAFFIC LIGHTS - ATWELLS AVENUE, KNIGHT STREET, AND ATWELLS AVENUE AND SUTTON STREET.

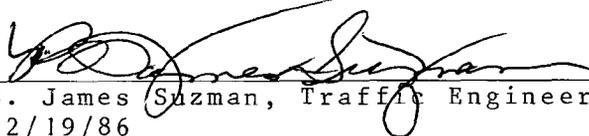

CONSIDERED BY: Committee on Public Works

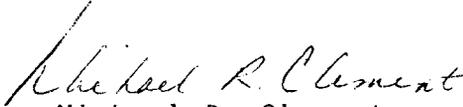

DISPOSITION: Attached are copies of the subject petitions for your study and report back in writing to the said Committee as to what your recommendations are, relative to the above said matters.

RESPONSE:

Please be advised that the intersection of Knight Street and Atwells Avenue is scheduled for the installation of a flashing pedestrian warning beacon at a cost to the City of Providence of \$8,800.00. The installation is awaiting the delivery of a special steel pole and mast arm to the contractor. This should be installed within four weeks.

The intersection of Atwells Avenue and Sutton Street is presently under review to determine if this intersection meets the warrants as set forth in the Manual on Uniform Traffic Control Devices. As you can see, the cost for such an installation is very high and we do not have the monies available for any new installation this fiscal year. In our 1987-1988 Budget requests, we will be requesting funds for the installation of fully-actuated traffic signal systems as well as for flashing warning signal beacons. As soon as we know what funds will be allocated, we will prioritize those intersections that have been requested by the City Council and private citizens as well as those that I have surveyed for needed signalization. In the meantime, we will determine if additional warning signs and traffic controls can be installed at the intersection of Atwells Avenue and Sutton Street.

  
B. James Suzman, Traffic Engineer  
12/19/86

  
Michael R. Clement,  
First Deputy City Clerk
