PERSONAL PRIVILEGE

COUNCILMAN TOMASSO Requests and Is Granted the Privilege of the Floor:

"I would like to rise to address the Council on Personal Privilege concerning this Particular Petition which was before Us.

Walking the Ward Today, I Approached One of the Constituent's Houses and a Woman had Her Arm Bandaged, Apparently Fractured Her Arm in Several Places Due to a Fall in the Street. She Welcomed me Greatly, having been told that a Councilman would go to Her House to Take a Claim. I Know I Sit on the Committee of Claims and Pending Suits, However, I think it is very unfair for somebody to make the representation to one of my Constituents that I would be going

to her house to take a Claim, especially when I'm not informed of it.

I think something should be done to determine who gives this type of information out to a Constituent and the Words are coming out of City going out to take claims. I don't object to serving Constituents, but if I'm supposed to serve a Constituent and the words are coming out of City Hall, I would appreciate it if I'm notified first and I'm not casting aspersions upon the City Clerk's Office. I don't know who gave her the information she couldn't tell me, but she assumed I was there today to take her claim."
