*Colonel Angelo P. Ricci*

CHIEF OF POLICE

Honorable Sanford H. Gorodetsky  
Commissioner of Public Safety  
209 Fountain Street  
Providence, Rhode Island

Dear Commissioner Gorodetsky:

The following pages represent the formal presentation of the one hundred and fifteenth annual report of the Providence Police Department, covering the calendar year 1979.

It is interesting to note that although preliminary figures provided by the Federal Bureau of Investigation indicate that crime rose nationally by eight percent during 1979, the City of Providence experienced a moderate increase in crime of 1.98% - a figure well below the national average.

While it is safe to say that statistics are somewhat limited in their ability to properly portray the nuances of social problems, and their concomittant effects upon the impact of crime, only a cursory examination of this publication will indicate the magnitude of our determination in repressing criminal activity throughout our city.

Total arrests have risen by nearly 40% during the year 1979, and it is strongly felt that acting under our formal policy of stern enforcement coupled with effective police-community relations, our Department will make further progress in the upcoming year.

Respectfully Submitted,

*Angelo P. Ricci*  
ANGELO P. RICCI

Chief of Police
