RE: Abandonment of Portion of Rutherglen Avenue

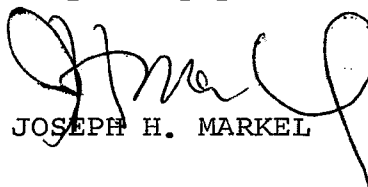

Dear Sir:

In confirmation of our conversation of Tuesday of last week, I would like to state that the property to be abandoned has been assessed to Frieda Josselin since 1911, when the direction of Rutherglen Avenue was changed.

Frieda Josselin was my client's predecessor in title, and she has paid taxes on the property to be abandoned since 1911.

No rights of anyone in the area will be prejudiced by any abandonment which the City Council may make.

Very truly yours,

JOSEPH H. MARKEL

Dear Councilman Matera:

On March 9, 1964, we received an official memorandum from the City Clerk's Office advising the department that a petition had been filed covering the abandonment of a portion of Rutherglen Avenue from a point 164.72 ft. more or less, westerly from Parkman Street westerly to its former termination as shown on the Annie W. Wilcox Plat on Plat Card 621 recorded in the Office of the Recorder of Deeds. We have checked the department's distribution plans and find no water works facilities whatsoever in this section of Rutherglen Avenue which is being considered for abandonment.

Yours very truly,

March 10, 1964

TO: HONORABLE CITY COUNCIL  
COMMITTEE ON PUBLIC WORKS

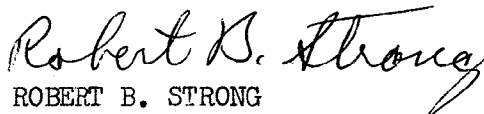

SUBJECT: Proposed Abandonment of Portion of Rutherglen Avenue.

The southerly side of Rutherglen Avenue as originally platted on the Annie M. Wilcox plat terminated at a point 251.69 feet (more or less) west of Parkman Street.

In 1911 the City Council ordered the realignment and extension of Rutherglen Avenue thereby providing thru access to Pontiac Avenue.

A portion of the original highway from a point 164.72 feet west of Parkman Street to its westerly termination was no longer required for highway purposes but was never legally abandoned.

It is recommended that this portion of the original highway be abandoned at this time and annexed to the abutting properties.

SUBJECT: Referral No. 1364 - ABANDON PORTION OF RUTHERGLEN AVENUE  
AS A PUBLIC HIGHWAY

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, March 17, 1964.

This referral is a request to abandon as a public highway that portion of Rutherglen Avenue from a point 164.72 feet more or less westerly from Parkman Street to its former termination as shown on the Annie W. Wilcox Plat on Plat Card 621 recorded in the office of the Recorder of Deeds.

On an inspection and photographic survey it was determined that the triangular portion of the street in question is fronting on Rutherglen Avenue and part of a block bounded by Rutherglen Avenue, Parkman Street, Sinclair Avenue and Pontiac Avenue. The area involved contains approximately 2,100 square feet of land.

The relocation of a segment of Rutherglan Avenue is a platted and recorded segment of the avenue and the excess triangular portion of City-owned property will no longer serve a useful street purpose. Since the proposed abandonment will not affect the vehicular circulation system,

The Commission

VOTED: To offer no objection to the granting of this petition.
