SUBJECT: Referral No. 1668 - ZONING CHANGE OF AREA BOUNDED BY ELMWOOD AVENUE,  
HAWTHORNE STREET AND POTTERS AVENUE

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, April 9, 1968.

This referral is a request by the petitioner to change the zoning on a parcel of land bordered by Potters Avenue, Elmwood Avenue and Hawthorne Street and on the westerly side by a line described in the petition. Such action would involve Lots 352, 365 and 439 on Assessor's Plat 49. The zone change requests are as follows: Lot 365, presently divided into C-2 (general commercial) and R-3 (general residence), to be entirely zoned C-4 (heavy commercial); Lot 352, presently zoned C-4 and R-3, to be all C-4; Lot 439, presently zoned C-2 and R-3, to change the C-2 section to C-4 and to change a portion of the R-3 section (as delineated in the petition) to C-4.

On an inspection and photographic survey it was determined that Lot 365 contains a 2½-story frame dwelling presently unoccupied and in poor condition. Lot 352 contains a very large 3½-story frame structure. The first floor is occupied by a self service laundry and a television repair shop. The upper floors appear to be residential. The building is in very poor condition. Lot 439 contains a masonry church building and a wood auxiliary building both in good condition. It also contains a wooden building in very poor condition containing a second hand clothing store.

Since, in effect, the proposed change would be an extension of an existing C-4 Zone, and since only a small section of the newly formed C-4 borderline would infringe on a residential use,

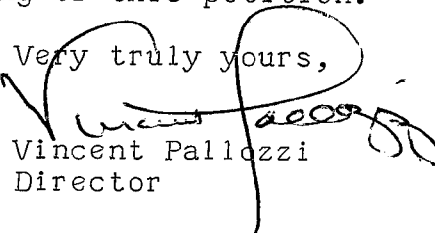

The Commission

VOTED: To offer no objection to the granting of this petition.
