Section 4. Term. The term of the tax stabilization shall be for a period commencing on the Commencement Date and terminating on the Termination Date, as more particularly described on Exhibit B hereof, unless earlier terminated as provided herein.

Section 5. As long as Project Owner owns or operates the Project Site, it will continue to make the Stabilized Tax Payment(s) as set forth in Exhibit B during the term of this tax stabilization agreement. Project Owner, its successors and assigns, agrees that this Project Site will be subject to taxation, without regard to tax stabilization, as of the Termination Date and thereafter. Project Owner also agrees not to transfer or assign the Project Site, or any portion thereof, to any tax-exempt entity or to allow any transfer or assignment by any subsequent transferee to any tax-exempt entity during the term of this agreement to stabilize taxes; provided, further, that, with respect to Phase IA, there shall be no transfer or assignment to a tax-exempt entity during the term of the Ground Lease. Project Owner is also required as a condition precedent to this tax treaty to record notice in the Land Evidence Records of the City of Providence of the requirement that the subject property covered by this ordinance be transferred only to a tax-paying entity as long as this agreement is in effect. In the event that the Project Site, or any portion thereof is transferred to a tax-exempt entity, despite the prohibition against such transfer, whether by, 261 LLC, or any subsequent transferee of such property, 261 LLC, will be responsible to make payments in lieu of taxes to the City of Providence equal to the full amount of taxes during the entirety of the tax stabilization term

as set forth in Exhibit B which would have been paid to the City of Providence if such prohibition against transfer to a tax-exempt entity had not been violated subject to Section 16. In the event that Project Owner shall divide the Project Site or any portion thereof into residential and/or commercial condominiums, said residential and/or commercial condominiums, once sold by the Project Owner, shall no longer be covered under this ordinance and shall be subject to taxation without regard to any tax stabilization agreement (the remaining portion of the Project shall be prorated accordingly). Project Owner shall send written notice of any such sale or sales to the tax assessor, by certified mail, postage pre-paid, return receipt requested, identifying the unit sold, the date thereof, the sale price, and the buyer's name and current address.

Section 6. Payment of Taxes. The following shall pertain to the payment of taxes set forth herein:

- (a) The Project Owner shall make Stabilized Tax Payments to the City of Providence as prescribed in the schedule attached in Exhibit B to the City of Providence, in lieu of all other real property and personal property taxes and assessments of every kind and nature which would now or hereafter otherwise be levied upon the Project and the City of Providence agrees to accept the Stabilized Tax Payments in lieu of such real property and personal property taxes on the Project (it being understood that the proposed Phases II and III require a written request to the tax assessor, City of Providence, for a determination of the tax stabilization available to such phase and/or phases).
- (b) Stabilized Tax Payments due the City of Providence, pursuant to the terms of this agreement, may be made in either a lump sum during the first quarter of the applicable tax year or in equal quarterly installments. If quarterly payments are to be made, they shall be due on the same dates that quarterly taxes are due for all other taxpayers in the City of Providence and similarly subject to interest and late fee penalties if not timely made.
- (c) It is understood by the parties that Stabilized Tax Payments made hereunder are tax payments; and, the Project Owner shall be entitled to all the rights, privileges and obligations of a taxpayer in the City of Providence.

- (d) The liability for the Stabilized Tax Payments due and owing under this agreement shall constitute an obligation of the Project Owner, and the City of Providence shall be granted by the Project Owner a lien on the Project Taxable Properties, which lien shall be of the same priority and entitle the City of Providence to the same foreclosure remedy as the lien and foreclosure remedy provided under applicable laws and ordinances with respect to real and personal property taxes, not subject to a tax treaty or this Agreement.
- (e) Notwithstanding anything to the contrary contained herein, if the Project Owner does not commence construction on either Phase II or Phase III on or before December 31, 2006, Project Owner shall make a tax payment, in addition to those payments required under Exhibit B, in the sum of \$100,000 on or before January 1, 2007.

Section 7. Satisfaction of Obligations. The City of Providence agrees that so long as the Stabilized Tax Payments are made by the Project Owner in accordance with the terms of this ordinance, the City of Providence shall, during the term of this agreement, accept said payments in full satisfaction of the obligations of the Project Owner as to the payment of any and all taxes and property assessments to the City of Providence which would otherwise be levied upon or with respect to the Project Taxable Properties, including future customary repairs and customary renovations of the Real Property Improvements and the Personal Property which may now exist or which may hereafter be placed or erected thereon or located thereat or used therein, but excluding material renovations or improvements beyond that contemplated in the Project.

Section 8. Minority and Local Contractors/Vendors. It shall be the goal and the Project Owner shall use its best efforts to hire contractors and subcontractors and to purchase construction materials from entities which/who are situated in and/or are residents of the City of Providence. Further, the Project Owner shall use its best efforts to award 25% of the total dollar value of construction to Minority Business Enterprises ("MBEs") and Women Business Enterprises ("WBEs"), as defined in and pursuant to Section 21-52 of the Code of City Ordinances, City of Providence, as certified by state agency or the Director of the Department of Planning and Development, City of Providence. The total fee and non-biddable "General Conditions" of the prime contractor will be deducted from this calculation. The Project Owner will use its best efforts to work with the prime contractor to reduce the size of bid packages where possible so as to maximize accessibility of contract work to small contractors from the community.

It is the intent of the parties that the participation of each element of minority and women business enterprise not fall below twelve and a half (12.5%) percent.

Section 9. First Source and Employment. The Project Owner shall in all respects comply with the First Source Ordinance, so-called. Further, the Project Owner will include in all subcontracts an affirmative action and community hiring program in which the employer commits to notify Project Owner of any job openings at the Project Site and to a willingness to interview candidates identified through said program. Project Owner has set a target minimum of ten (10%) percent of total hires as community hires over the course of the Project construction period. In addition, Project Owner agrees to provide training and/or apprenticeships for City of Providence residents hired on the Project. Such training and/or apprenticeship program shall be submitted in writing to the Director of the Department of Planning and Development, City of Providence, for his or her written approval, as a condition precedent to any tax stabilization as envisioned under this ordinance, which may include an apprenticeship created under Section 28-45-1, et seq., of the General Laws of Rhode Island, as amended.

Section 10. Support for Affordable Housing. (a) Project Owner and all successors and assigns shall make a \$392,000.00 contribution to the Providence Redevelopment Authority with respect to Phase I to support affordable housing and community services as follows:

- (i) \$50,000.00 to be contributed on or before June 30, 2005; and,
- (ii) \$18,000.00 to be contributed on or before June 30 of each of the nineteen (19) years thereafter.

The contributions to be made in connection with Phases II and III shall be determined at the time of application for tax stabilization using the same formula used to determine the Phase I contribution, except that the payments shall be made within the time frame then existing under the term of the agreement. The contributions made by Project Owner shall be directed to a housing trust for the development of affordable housing and/or community services with a preference for affordable housing and community services in the Smith Hill section, so-called, of the City of Providence.

Section 11. Purpose. The City of Providence has entered into this tax treaty to provide residential, retail and commercial units in the City of Providence and to increase its tax base as a result of such construction. This treaty shall be in effect during its term as long as the property is utilized primarily for the Project and failure to use the Project Site primarily for such purposes renders the treaty null and void. The treaty being rendered null and void for any reason would require the Project Owner to pay all taxes and fees as due and owing as if no treaty had been entered. The Project Owner will be permitted to lease the building(s) on Lots 261 and 262 of Assessor's Plat 4 for dormitory or apartment dormitory purposes for a period commensurate with the remaining term of tax stabilization; provided, that, all payments required under this tax stabilization are paid as required hereunder.

Section 12. Basis of Calculation. The schedule listed in Exhibit B is based, in part, upon information provided to the tax assessor of the City of Providence by Project Owner including, but not limited to, estimated construction costs. In the event that any of this information is inaccurate or proves to be materially erroneous, this treaty shall be modified to reflect the accurate information. This tax treaty is conditioned upon commencement of construction by June 30, 2005. Failure to begin construction by June 30, 2005 renders the treaty null and void and shall subject the Project Owner liable for the real estate and tangibles that would have been assessed against such property as if no treaty had been entered.

Section 13. Back Taxes. This treaty is conditioned upon Project Owner at all times owing no back taxes to the City of Providence and remaining current on all payments due under this tax treaty. Failure to make timely payments may render this treaty null and void.

Section 14. Reporting and Monitoring. Project Owner shall, not less than sixty (60) days after the end of each fiscal year of the Project Owner, submit to the Director, Department of Planning and Development of the City of Providence, a report that will provide evidence of compliance with Sections 8, 9 and 10 hereof on forms provided by said director for said purpose. The director may require additional information to demonstrate compliance.

Section 15. Notices. All notices, certificates, requests, demands, consents, approvals, and other communications which may or are required to be served or given hereunder (for the purposes of this section, collectively called "Notices") shall be in writing and shall be sent by registered or certified mail, postage pre-paid, return receipt requested and received overnight delivery by a recognized public or private carrier, or by facsimile, in either case as evidenced by a receipt or other evidence of delivery showing the date, time and, for facsimile, telephone number or receipt and addressed to the party to receive such Notice as identified below:

Section 16. Penalties and Petition for Relief. In the event that Project Owner does not substantially comply in all material respects with any and/or all of the material provisions of this ordinance, the Director of the Department of Planning and Development, City of Providence, may provide written notice, mailed, postage-prepaid, to Project Owner at its/his/her last known address, setting forth the nature of such non-compliance and the date upon which the relevant portion of the tax stabilization agreement shall be rendered null and void because of such noncompliance, unless said non-compliance is cured prior to said date ("Early Termination Date"). If there exists a default of any provision under this tax stabilization agreement brought about specifically by the actions or inactions of a Project Owner with regard to a specific Phase for which a letter of non-compliance and subsequent voiding of the tax stabilization agreement is issued such consequence shall only apply to the Phase in question and shall not affect the validity of the tax stabilization agreement with regards to the other Phase(s). The full tax which would otherwise have been due and payable for the Phase subject to such letter of non-compliance, if there had been no tax agreement, plus interest and penalties as provided by law ("Full Tax"), will become immediately due and payable on the Early Termination Date, with the calculation thereof being contained in the notice. However, the Early Termination Date shall be at least one hundred and twenty (120) days from the mailing of written notice. Project Owner may petition the City Council of the City of Providence, for a hearing with respect to the issue of noncompliance. The hearing shall be held within sixty (60) days of the receipt of the petition by the City Clerk, City of Providence. At the hearing Project Owner shall have an opportunity to present evidence of compliance and/or request relief. In the event that the City Council of the City of Providence, does not act after a hearing of Project Owner prior to the Early Termination Date, the determination of the Director, Department of Planning and Development, City of Providence, shall be conclusive and Project Owner shall immediately make payment of the Full Tax to the City of Providence.

Section 17. Expiration Dates. That in accordance with the laws of the State of Rhode Island and the Code of Ordinances of the City of Providence, the City Council of the City of Providence hereby approves the Project Owner's application for tax stabilization as set forth as Exhibit A and authorizes said tax stabilization as provided in this ordinance in accordance with it and with the schedule of payments set forth in Exhibit B.
