

THE CITY OF PROVIDENCE
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

RESOLUTION OF THE CITY COUNCIL

No. 312

Approved November 8, 1957

Resolved,

That

the following named person, firm or corporation is hereby granted permission to erect, alter or use a building or structure at the location named herein for the sale of petroleum, kerosene, gasoline, coal oil and their products, compounds and components as described and shown in and on the application therefor and accompanying plat, all on file in the office of the Inspector of Buildings subject to the conditions that said person, firm or corporation shall not violate any of the laws of the State of Rhode Island or any of the Ordinances of the City of Providence relative to the erection, use or occupation of said structure and that said person, firm or corporation shall not allow petroleum, kerosene, gasoline, coal oil or their products, compounds or components, to be conveyed over or across any sidewalk by means of any pipe or hose, and upon such special conditions as are hereby enumerated, viz:

Ward 6: Jesse Masi, 524 Manton Avenue, Plat 96, Lot 105, 1-4,000 gallon gasoline storage tank additional, making 13,100 gallons total storage capacity upon the premises.

The erection or location of any buildings or structures not shown on the original plat on file with the Inspector of Buildings or any change in the location of buildings or structures from that shown on said plat shall be deemed a violation of this permit.

PETITION TO PROVIDENCE CITY COUNCIL

We the undersigned wish it known that we strongly object to the erection of a gasoline service station at Elmwood Ave., Prov., R.I.

Our objections are based on the following points:-

1. Devaluation of nearby properties.
2. Annoyance by fumes, noise and lack of privacy.
3. Traffic hazard at corner of Elmwood Ave., and Longfellow St.
4. Tenants who will have to move because of fumes and the fact that it is obviously more difficult to rent an apartment with a gasoline station whose property is one foot from the windows of a dwelling house.
5. The danger (however remote) which ~~may~~ does exist of explosion or fire at said gasoline station.
