Attention: Rose M. Mendonca, City Clerk

Subject : Referral No. 2149-Abandonment of Ashcroft Street

Gentlemen:

The City Plan Commission, at its June 5, 1985 regular monthly meeting revised and evaluated the subject referral from your Committee on the proposed abandonment of Ashcroft Street located between Richmond Street and Elbow Street.

The petitioners are "233 Richmond Street Associates" (former Belvoir Associates) and T. & H. Electric Company, 200 Richmond Street, Providence, Rhode Island, owners of abutting land on both sides of Ashcroft Street, which include the following Assessor's Lots: 41, 67, 108, 109, 110, 113, 115, 119, 127, 131, 148 and 408 on Assessor's Plat 21.

A field inspection revealed that Ashcroft Street is already practically abandoned and became a part of a new parking area (under construction) which includes all adjacent lots located north of Ashcroft Street. The southern line of Ashcroft Street coincides with a building line of a newly renovated industrial structure owned by the "233 Richmond Street Associates".

Since the land on both sides of Ashcroft Street is owned by the petitioners and since the aforesaid street serves no useful purpose as a public highway, the Commission voted:

Committee on Public Works
June 12, 1985
Page 2

To recommend to the Committee on Public Works that no objection is offered to the abandonment of Ashcroft Street.
