Re: City Council Resolutions 113 and 114

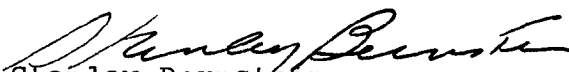

Dear Mrs. Mendonca:

At its meeting on April 13, 1982, the Providence Redevelopment Agency considered City Council Resolutions 113 and 114 relative to replacement of benches in the Federal Hill East Renewal Project.

While it is not the responsibility of the PRA to replace the missing benches, the Agency, in the spirit of cooperation, voted to replace the missing benches with two benches that were left over from the Charles Street Renewal Project.

My staff has been directed to proceed with the installation of the two new benches immediately.

Sincerely,

Stanley Bernstein
Executive Director
