Dear Honorable Members:

I hereby disapprove and veto the resolution requesting the Chief of the Police Department to turn over brutality records to "The Rake" without charge.

The

documents are available to "The Rake" upon payment of a specified fee. It has been a long-established administrative practice to collect a fee for the editing and copying of documents in order to contribute to the economical operation of the city government.

Resolution Calling on the U.S. Congress to Take Action Against the Theft of Creators' Rights via the Copyright Law's Work-for-Hire Provision.

Whereas, Providence has many artists and designers, is in a unique position to protect cultural innovators and has a tradition of nurturing the arts, and

Whereas, The U.S. Constitution provides Congress with the authority to enact laws to encourage and protect creators, and

Whereas, The 1976 Copyright Law was designed to protect the inherent rights of creators, by creating rights inherently vested with the creator, who is defined as the translator of abstract ideas into tangible form, and

Whereas, This subdivisible group of rights is the basis of all transactions between the seller and the purchaser, allowing artists to claim authorship for the work they create, building their reputations and ability to attract clients on the basis of past performance, and

Whereas, The Graphic Artists Guild, leading a coalition of over 40,000 professional artists, photographers, song writers, journalists, translators, authors and other creative professionals has raised an outcry nationwide against the "work-for-hire" provision of this law which denies those who do artwork on commission the rights to their art,

Now, Therefore, Be It Resolved, That the Providence City Council calls upon the U.S. Congress to act immediately to remedy this breach of justice by amending the Copyright Law to remove the work-for-hire provision and ensure that artists' rights and survival shall no longer be threatened by the law designed to protect them, and

Be It Further Resolved, That this Resolution be sent to each member of the Rhode Island

Congressional delegation with a request that each of them support said requested action by the U.S. Congress.
