IN THE OFFICE OF THE  
CITY CLERK

Dear Sir/Madam:

In reference to the Home Rule Charter, I herein request an extension of time, to meet the residency requirement of the city charter. I am a probationary math teacher at Nathan Bishop Middle School, and currently a resident of Cranston.

I have been working towards purchasing a home within the city of Providence, however the home for which I had a sales agreement did not pass the inspection. I was released from the agreement after losing \$500.00, inspection and assessment fees. I am still diligently searching and would hardly appreciate an extension of time.

Please find attached a letter from the home sales agent with whom I am currently working.

Sincerely,

  
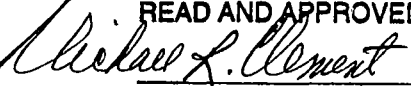

Rudene F. Wilkins

TO WHOM IT MAY CONCERN:

Please be advised that Rudene Wilkins was in a sales agreement through my office for property at 17 Alexander Street, Providence in January and on January 17th a very bad inspection report released her from that sale.

Since that time I have showed her several properties that don't suit her needs and even a for-sale-by-owner property. Because single home inventory has dropped so much, there are very little properties to show and as soon as they appear on the market there are several buyers for them!

We are seriously and diligently looking for a home for her and her family and as the end of Winter draws nearer we should be successful on a sale. Right now we are trying to encourage a private seller to sell her his home at a fair price to all. I'm sure if this comes to pass, I will prepare a sales agreement as quick as I can so she may give it to you.

Please feel free to call me if I can answer any questions you may have.

Sincerely,

Dear City Council Members,

I am applying for an extension of the 6 month residency period (see enclosed) since my current lease expires 10/31/2000. I was appointed to a probationary teacher position at Roger Williams Middle School on 1/24/2000. Breaking my lease before the expiration date would cause a financial burden to me. My intention is to move to Providence 11/1/2000 if the council approves of my application. Please advise.

Sincerely,

  
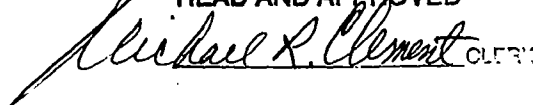

Jacqueline Jennings

ALTERNATE LEARNING PROJECT

February 10, 2000

Mr. Michael Clement  
City Clerk  
City Hall, 3rd floor  
25 Dorrance St.  
Providence, RI 02903

Dear Mr. Clement,

It is an exciting time to be a teacher in Providence. I work for Anne Colannino as a chemistry/science teacher at The Alternate Learning Project on Elmwood Avenue in Providence.

I am writing to ask you to give me a six-month extension on the teacher residency requirement. As a Providence teacher my deadline to meet the requirement is February 29, 2000. However, I would like for you to grant me an extension until August 30, 2000.

The reason I am requesting an extension is that I am having a great deal of difficulty selling my house in East Greenwich so I can move my family to Providence. I am hoping that I can sell my house during the active real estate months in the summer.

Please let me know as soon as possible at my home address of 33 Red Oak Road, East Greenwich, RI 02818. My home telephone number is 885-4379 and my work number at ALP is 456-9194.

Very truly yours,

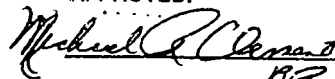

R. Bruce LeBlanc, Jr.
