## ORDINANCES SECOND READING

**The following Ordinances were in City Council April 3, 2003, Read and Passed the First Time and are severally returned for Passage the Second Time:**

An Ordinance in Amendment of Chapter 27 of the Ordinances of the City of Providence entitled: "The City of Providence Zoning Ordinance" Approved June 27, 1994, as Amended (Creation of Conservation District).

*Be it Ordained by the City of Providence:*

*Section 1. Chapter 27 of the Ordinances of the City of Providence, entitled "The City of Providence Zoning Ordinance" approved June 27, 1994, as Amended, is hereby amended by changing the following text in Articles 1, 3, 4 and 10, and Appendix A (the text to be removed is crossed out; the new text is underlined):*

*101.6 — Open Space, and Public Space and Conservation Zoning Districts:*

*OS — Open Space District* — This zone is to insure that open space areas, conservation areas and outdoor recreation areas are preserved in the city. This district includes parks, wetlands, flood plains, conservation areas and areas that cannot be developed.

*PS — Public Space Areas* — This zone is to insure that open space areas and areas for public buildings and facilities are preserved in the City. This district includes park and recreation areas, public buildings and schools.

*CD — Conservation District* — This zone is to insure that city-owned conservation areas are preserved.

Add a column to Table of Use Regulations in Section 303 for the CD classification and add: "Use Code 36.1 — Conservation Area" and a "Y" under the new column CD. No other use would be permitted.

**Add: "Section 424 — Regulations for Conservation Districts"**

Conservation Districts shall be maintained pursuant to a management plan for the district approved by the Board of Park Commissioners. The management plan shall be consistent with the following regulations:

*424.1 — Permitted Uses in Conservation Districts:*

A) Passive enjoyment of the woodlands, rivers, streams, ponds and foot trails.

B) Protection and maintenance, including restoration as needed, of the natural woodlands for the safety and enjoyment of the residents of the City.

C) Maintenance and restoration of the foot trails that run through the woodlands and scenic views from the foot trails.

D) Maintenance and restoration of the vegetation, with occasional thinning and appropriate additional planting, and protection of the banks of rivers, streams, ponds and coastal areas to prevent erosion.

E) Limited dredging of rivers, ponds and coastal areas for restoration purposes.

F) Maintenance and restoration of streams, rivers, ponds and wetlands.

G) Protection and encouragement of wildlife natural to the area.

H) Placement and maintenance of benches and trash receptacles for the enjoyment and health of the users of the urban forest.

I) Fishing (unless otherwise prohibited).

J) Such other uses as are consistent therewith.

*424.1 — Uses Not Permitted in Conservation Districts:*

A) Placement or construction of any buildings or structures, including fenced enclosures for domestic or other animals, or other improvements of any kind that are unrelated to the preservation and maintenance of the urban forest.

B) Development of the urban forest in any manner other than to restore or maintain the foot trails, woodlands, rivers, ponds and coastal areas.

C) All vehicles, including motorcycles, motorized bicycles, snowmobiles, all-terrain vehicles, except police, emergency and maintenance vehicles.

D) Ditching, draining, diking, filling, excavating, dredging, mining or drilling, removal of topsoil, sand, gravel, rock, minerals, or other materials, or any building or roads or change in the topography of the land in any manner, except to restore or maintain the health of the woodlands, foot trails, rivers, streams, ponds and coastal areas.

E) Removal, destruction, or cutting of trees or plants, except as necessary for maintenance or required to construct foot trails pursuant to a management plan.

F) Use of fertilizers, spraying with biocides and introduction of non-native plants and animals, except as may be authorized by a management plan.

G) Dumping or storing of ashes, trash, garbage, wastes, refuse, debris or other materials, and the changing of the topography through the placement of solid or other substances or materials such as land fill or dredging spoils, except to restore or maintain the health of the woodlands or rivers, streams or ponds in accordance with a management plan.

H) Activities on areas adjoining the district that will adversely affect the woodlands, rivers, streams, ponds and wetlands, including erosion or siltation of the same."

#### Article X — Definitions

Add: 1000.155 — Conservation Area: An area consisting of woodlands, rivers, streams, ponds, wetlands, floodplains and other sensitive natural areas that shall be preserved in its natural scenic and ecological condition.

#### Appendix A

Add: "36.1 Conservation Area — See Definition at 1000.155".

*Section 2.* Chapter 27 of the Ordinances of the City of Providence, entitled "The City of Providence Zoning Ordinance" approved June 27, 1994, as amended, is further amended by changing the zoning district designation of certain lots of certain Zoning District Maps of the Official Zoning Maps as follows and as shown on the accompanying map(s):

Map 41, Lots 14 (except for the developed playground at the corner of Angell and Paterson Streets, a rectangle measuring 200 feet east of this corner along Angell Street and 275 feet south of this corner along Paterson Street), 142, 143 and 234, from OS to CD.

Map 40, Lot 293, from OS to CD.

**Read and Passed the Second Time, on motion of COUNCILMAN APONTE, seconded by COUNCILWOMAN WILLIAMS, by the following Roll Call Vote:**

**Ayes: Council President Lombardi, Councilmen Allen, Aponte, Butler, DeLuca, Councilwoman DiRuzzo, Councilmen Hassett, Igliazzi, Luna, Mancini, Councilwoman Romano, Councilman Segal and Councilwoman Williams—13.**

**Nays: None.**

**Absent: Councilman Jackson and Councilwoman Young—2.**

**The motion for Passage the Second Time is Sustained.**

An Ordinance in Amendment of Chapter 27 of the Ordinances of the City of Providence entitled "The City of Providence Zoning Ordinance" Approved June 27, 1994, as Amended (Historic Trees).

*Be it Ordained by the City of Providence:*

Section 1. The following section shall be added to the Providence Zoning Ordinance:

*Section 425 — Landscaping and Tree Preservation:* Open space within lots and outdoor parking areas shall be landscaped with trees, groundcover and shrubs to enhance the environmental and aesthetic quality of the City and to reduce the visual impact of parking areas from the public right-of-way and from adjoining properties. This article regulates the quantity and location of landscaping on all lots in all Zoning Districts except for the D-1 Zoning District, which has separate landscaping provisions in Section 502.2.

*425.1 — Quantity of Trees Required:* Sufficient trees shall be planted on a lot so that the square footage of vegetative canopy of such trees, when mature, equals a certain percentage of the square footage of the lot. This required percentage varies by Zoning District and is listed in Section 425.1 A). The total canopy coverage for a lot is the sum of the canopy, at maturity, of the individual trees located on the lot. The square footage of canopy cover varies according to tree species and is shown in the table in Section 425.1 B). Street trees located in the public right-of-way directly adjacent to the property line of the lot may be counted toward the canopy coverage for the lot. For developments that encompass more than one lot, the percentage shall be calculated for the total canopy for the total area of all of the lots. Where existing conditions or other provisions of this Ordinance make it impracticable to meet the canopy coverage requirement on or adjacent to the site, the applicant shall plant sufficient trees to make up the shortfall in public rights-of-way within  $\frac{1}{4}$  mile of the lot(s), with the location to be determined by the City Forester for the City of Providence.

A) Quantity of Trees by Canopy Coverage: The percentage of canopy coverage required for each zone is listed as follows:

- 1) R, PS, OS, CD and W-1 Zones: 25% of the square footage of the lot.
- 2) D-1 Zone: See Section 502.2 for landscaping requirements.
- 3) All Other Zones: 15% of the square footage of the lot.

B) Canopy Coverage by Tree Size: The City Forester shall maintain a list of trees species and the expected size of the canopy for each species, at maturity, when planted in Providence. Trees shall be classified as small, medium or large and the canopy coverage for each is as follows:

<i>Tree Size</i>	<i>Canopy Size (sq. ft.)</i>
Large	1,000
Medium	700
Small	300

*425.2 — Location of Trees and Landscaping for Parking Areas — Five or More Vehicles:* The following requirements are for principal or accessory use parking areas for five or more vehicles, regardless of zone. Any trees planted pursuant to this Section shall be included in the quantity required for Section 425.1.

A) *Parking Areas Abutting Public Rights of Way:* For parking areas that abut public rights of way, there shall be a planted strip, at least five feet wide, along the entire length of the border between the parking area and the right of way. At least one tree shall be planted in this strip for every 20 linear feet of frontage. These trees shall be large, medium or small trees, as classified in Section 801.2. The planted strip shall include grass, perennial plantings, or a combination of both, and may also include annual plantings.

B) *Internal Planting in Parking Areas:* Where trees are planted in the interior of parking areas, they shall be located within islands that are curbed to prevent damage from automobiles.

C) *Parking Areas Abutting Lots in R Zones:* Where a parking area in any zone adjoins a lot in an R Zone, the parking area shall be screened by a solid wall, a uniformly painted tight board fence, or a hedge of compact evergreens or other suitable plantings. Such screen shall be at least four feet in height, and shall be erected and maintained between the entire border of such parking area and the property in the R Zone.

425.3 *Land Adjacent to Water Bodies:* Where a water body exists on or adjacent to a lot or development, there shall be a vegetated buffer, at least 20 feet wide, adjacent to the entire length of the water body. This buffer shall include trees and plant material that will filter stormwater runoff and help to improve the quality of the water body. No parking or buildings are permitted within this buffer. However, a walking path or bicycle path may be included within this buffer.

425.4 — *Maintenance:* All landscaped areas shall be maintained. This shall include replacement of dead or damaged plant material; the furnishing and installation of mulch; weeding; mowing of grass; cleaning of litter; or any other action deemed necessary by the Director to insure that the requirements of this section are met. Failure to maintain a landscape area shall be deemed in violation of this ordinance.

425.5 — *Non-conformance:* Lots or developments that contain less than the canopy coverage required by Section 425.1 A) on the date of enactment of this Article shall be considered legal but non-conforming to the dimensional requirements of this Section.

A) *Reduction of Canopy Cover for Non-conforming Lots or Developments:* For lots or developments that are non-conforming as defined in this Section, improvements to the property that cost less than 50% of the assessed value of the property and that reduce the canopy cover shall require either replacement in-kind of the canopy lost or a dimensional variance. Improvements to the property that cost more than 50% of the assessed value of the property and that reduce the canopy cover shall require either full compliance with the canopy coverage requirements of Section 425.1 A) or a dimensional variance.

B) *Reduction of Canopy Cover for Conforming Lots or Developments:* For lots or developments that conform to the dimensional requirements of this Article, any action that reduces the canopy cover below the percentage required by Section 425.1 A) shall be considered a dimensional nonconformance and shall require either replacement in-kind of the canopy lost or a dimensional variance.

425.6 — *Removal of Significant Trees:* No significant Tree, as defined in Section 1100.156 shall be removed without the prior permission of the City Forester for the City of Providence.

A) *Application:* Any person wishing to remove a Significant Tree shall file a request to do so with the City Forester.

B) *Required Findings for Approval:* In order to grant permission to remove a significant tree the City Forester must make one or more of the following findings within seven days of receipt of the application:

1) The tree is in poor health or diseased with an expected life span less than two years as determined by a licensed arborist, landscape architect, or professional forester.

2) The removal of the tree is unavoidable because the tree poses a danger to human safety, health and welfare.

C) *Required Findings for Denial:* In order to deny permission to remove a significant tree the City Forester must make none of the findings in Section 425.6 A) and one or more of the following findings within seven days of receipt of the application:

1) The tree to be removed is of a species listed on the Rhode Island list of endangered species or trees of special concern.

2) The tree removal will have significant negative effects upon erosion potential and drainage patterns in the vicinity.

3) The tree removal will have significant negative effects upon public health, safety, and welfare.

D) *Replacement of Canopy:* Any person who removes a significant tree shall be required to replace the square footage of canopy lost due to the removal.

425.7 — *Tree Pit Design:* Trees shall be planted according to the standards adopted by the Providence City Forester.

425.8 — *Tree Size at Planting:* At planting, trees shall be at least two inches in caliper.

425.9 — *Tree Pruning:* Nothing in this Article shall be construed to prevent tree pruning to promote the health of a tree or for public safety purposes.

Section 2: Eliminate Sections 505.2 B), 506.3 D), 506.6 C), 507.3 D) 2, 507.6 C), 705.6, and 705.7.

Section 3: Modify Section 502.2 D) as follows:

*Landcaping — Lot Frontage:* Landscaping shall be provided between parking lots and any adjacent public street, walk or right of way, shall be approved by the DRC and shall be maintained in accordance with Section 425.4.

Section 4: Add to Definitions in Article X:

1100.156 *Significant Tree:* Any tree that measures 32 inches or more in diameter at 4½ feet above the ground.

Section 5: This Ordinance shall take effect upon passage.

COUNCILWOMAN WILLIAMS moves to Amend the Ordinance in Section 425.6 B and C to change “seven” days to “thirty” days, seconded by COUNCILMAN BUTLER.

The motion to Amend is Sustained.

Read and Passed the Second Time, as Amended, on motion of COUNCILMAN APONTE, seconded by COUNCILWOMAN WILLIAMS, by the following Roll Call Vote:

Ayes: Council President Lombardi, Councilmen Allen, Aponte, Butler, DeLuca, Councilwoman DiRuzzo, Councilmen Hassett, Igliozzi, Luna, Mancini, Councilwoman Romano, Councilman Segal and Councilwoman Williams—13.

Nays: None.

Absent: Councilman Jackson and Councilwoman Young—2.

The motion for Passage the Second Time, as Amended, is Sustained.

An Ordinance in amendment of Chapter 27 of the Ordinances of the City of Providence entitled: "The City of Providence Zoning Ordinance" approved June 27, 1994, as amended. (Technical Amendments)

*Be it ordained by the City of Providence:*

Section 1. Chapter 27 of the Ordinances of the City of Providence, entitled "The City of Providence Zoning Ordinance" approved June 27, 1994, as amended, is hereby amended by changing the following text in Articles 2, 3, 7, 8, and 10 (the text to be removed is crossed out; the new text is underlined):

A. In Article 2:

201.7 — *Intensification*: A nonconforming use of a building, structure or land shall not be intensified in any manner. Intensification shall include, but not be limited to, increasing hours of operation, increasing the number of dwelling units, increasing the number of parking spaces, or increasing the seating capacity of a place of assembly. However, this section shall not prohibit the reconfiguration of existing dwelling units within a building or structure so long as such reconfiguration complies with the requirements of Section 201.6.

B. In Article 3:

304.1 — *Footnotes for Dimensional Regulations — Residential Districts*

1. Height may be increased to ~~three~~ three and one-half stories not to exceed ~~forty~~ (40) feet provided each required side yard is increased ~~one~~ one and one-half foot for each ~~three~~ (3) feet in height above two stories

or 30 feet, whichever requires the greatest increase.

2. Each side yard must be increased by one ~~(1)~~ one and one-half foot for every ~~three~~ (3) feet in height over the second story or over 30 feet, whichever requires the greatest increase.

3. A lot of less than 12,000 square feet and more than 9,999 square feet may be divided into lots containing not less than 5,000 square feet each and having a width of not less than 50 feet each, ~~and one dwelling and having a width of not less than 50 feet each, and one~~ One dwelling unit may be erected on each lot. If a lot contains more than 12,000 square feet and if after division into as many as 6,000 square feet lots as possible, there remains a lot of 5,000 square feet or more, one dwelling unit may be erected on such remaining lot provided the same has a width of 50 feet.

4. A rear yard may be reduced to not less than ~~twenty percent~~ (20%) of the lot depth, provided the front yard is extended so that the combined total of the front and rear yards is not less than ~~forty percent~~ (40%) of the lot depth.

5. Minimum of one Side Yard may be reduced to 4 feet if lot width is 45 feet or less.

6. Lot coverage on a corner lot may be increased an additional 5% of the lot area.

7. In ground or above ground pools shall not be considered when calculating overall lot coverage requirements stipulated in this code.

305.1 — *Footnotes for Dimensional Regulations — Commercial, Industrial, Institutional Districts:*

1. Maximum height cannot exceed maximum height of any R-Zones which is not overlaid by an Institutional Floating Zone within 150 feet of the structure.

2. The allowable height for any building in an Institutional Floating Zone shall be a function of the open space distance between the proposed building and the applicable property and street lines nearby residential zones. The allowable height for the entire building shall be determined in accordance with the most restrictive height calculated in accordance with the following requirements.

a. Building Maximum height shall be limited to thirty (30) feet whenever any part of the institutional building is located on a street line property on the opposite side of the street is in an R-zone and shall increase by one foot for every one foot setback from said street line up to a maximum height of seventy five (75) feet/six (6) stories.

b. Building Maximum height shall be limited to ~~forty (40)~~ feet whenever any part of the institutional building is located within thirty (30) feet from the property line of a lot in an R-zone and shall increase by one foot for every additional one foot setback from said property line up to a maximum of seventy five 75 feet/six (6) stories.

c. In all other cases, building height shall not exceed ~~seventy five (75)~~ feet/six (6) stories.

d. Setback distance as outlined in a and b above are not required from lots in R-zones that are ~~over-layed~~laid by an I-zone.

3. When a lot is used solely for residential purposes, the dimensional regulations of the R-M zone shall apply. minimum lot area shall be 5,000 sq. ft.

4. Where the block frontage is partly in a R-zone which is not overlaid by an Institutional Floating Zone, the front yard requirements of the R-zone shall apply.

5. Where the property on the opposite side of the street is in an R-zone which is not

overlaid by an Institutional Floating Zone, the front yard requirements of the R-zone shall apply.

6. Where the lot abuts a lot in an R-zone which is not overlaid by an Institutional Floating Zone, there shall be a minimum yard of 30 feet.

7. Where the side yard of ~~the~~ a lot abuts a lot in an R-zone which is not overlaid by an Institutional Floating Zone, there shall be a side yard of not less than 4 four feet for each story of 12 feet in height, but such yard shall not be less than six 6 feet.

8. Where the rear yard of a lot abuts ~~upon~~ a lot in an R-zone which is not overlaid by an Institutional Floating Zone, there shall be a rear yard of not less than ~~twenty percent~~ (20%)

of the lot depth, maximum required need not exceed 20 feet.

9. In C and M zones, where dwelling units are included in any building, such dwelling units shall not be less than six (6) feet from an interior lot line. Reserved

10. In the C-1 and C-2 zones, building lines at street level shall be coincident with the lot line without setback and main entrances shall be oriented to face the street. On a lot with curved lot frontage, the building may be built to the chord or the tangent, whichever applies. Building fronts may incorporate articulations not to exceed two feet in depth. Such articulations shall not encompass more than 30% of the total building front.

The minimum qualifications for the Director are the same as those required of the Director of Inspections and Standards in the Charter. Upon a written request for information or clarification of this ordinance, the Director shall issue a zoning certificate or provide information to the requesting party within ~~fifteen~~ (15) days of receipt of the written request. In the event that no written response is provided within that time, the requesting party shall have the right to appeal to the Board for determination.

801.1 — Modification:

A) The Director may issue modifications from the literal dimensional requirements of this Ordinance in the instance of the construction, alteration, or structural modification of a structure. A modification shall not exceed five percent of any of the dimensional requirements specified in this Ordinance. A modification does not permit moving of lot lines. Within ten days of the receipt of a request for a modification, the Director shall make a decision as to the suitability of the requested modification based on the following determinations:

(1) The modification requested is reasonably necessary for the full enjoyment of the permitted use;

(2) If the modification is granted, neighboring property will neither be substantially injured nor its appropriate use substantially impaired;

(3) The modification requested is in harmony with the purposes and intent of the Comprehensive Plan and Zoning Ordinance; and

(4) The modification requested does not require a variance of a flood hazard requirement.

B) Upon an affirmative determination, the Director shall notify, by registered or certified mail, all property owners abutting the property which is the subject of the modification request, and shall indicate the street address of the subject property in the notice, and shall publish in a newspaper of general circulation within the city or town that the modification will be granted unless written objection is received within 30 days of the public notice. If written objection is received within 30 days, the request for a modification shall be denied. In that case the changes requested will be considered a request for a variance and may only be issued by the Zoning Board of Review following the standard procedures for variances. If no written objections are received within 30 days, the Director shall grant the modification. The Director may apply any special conditions to the permit as may, in the opinion of the Director, be required to conform to the intent and purposes of this Ordinance. The Director shall keep public records of all requests for modifications, and of findings, determinations, special conditions, and any objections received. Costs of any notice required under this subsection shall be borne by the applicant requesting the modification.

E. In Article 10:

1000.59 — *Drive In Business*: A business enterprise where goods and services, such as food, beverages or banking services, are sold or transacted outside the confines of a building or portion thereof, often where the patron is in a motor vehicle on the site.

Section 2. This Ordinance shall take effect upon passage.

Read and Passed the Second Time, on motion of COUNCILMAN APONTE, seconded by COUNCILWOMAN WILLIAMS, by the following Roll Call Vote:

Ayes: Council President Lombardi, Councilmen Allen, Aponte, Butler, DeLuca, Councilwoman DiRuzzo, Councilmen Hassett, Igliozi, Luna, Mancini, Councilwoman Romano, Councilman Segal and Councilwoman Williams—13.

Nays: None.

Absent: Councilman Jackson and Councilwoman Young—2.

The motion for Passage the Second Time is Sustained.

Resolution in Opposition of the practice of predatory lending.

*Whereas*, Predatory lending abuses that take away homeowners' equity and lock borrowers

into high interest rates pervade the subprime mortgage market (as evidenced most recently by predatory lending settlements entered into by two of the very largest subprime lenders), and Fannie Mae estimates that up to half of borrowers in subprime loans should be qualifying for 'A' loans with substantially lower rates and fees, and

*Whereas*, The targeting of subprime loans to people of color, low- and moderate-income families, and senior citizens costs those who can least afford it billions of dollars each year and reverses hard-won progress that has been made on reducing the racial homeownership gaps, and

*Whereas*, Predatory home loans are regularly made in the City of Providence and throughout the State of Rhode Island, and

*Whereas*, Some states and localities have responded to the crisis by protecting their residents with laws that provide critical safeguards on high-cost home loans without cutting off access to credit, preventing most predatory loans from ever being made in the first place, and

*Whereas*, The House and Senate Financial Services Committee in the Rhode Island Legislature have held hearings on the issue of predatory lending, and

*Whereas*, Lenders that make predatory home loans, and their allies in the Republican Congressional leadership, are planning to push a bill, HR 833, through Congress to negate all state and local anti-predatory lending laws without providing any meaningful, new protections for consumers.

*Now, therefore, be it Resolved*, That the Providence City Council calls upon the Rhode Island Legislature to pass legislation that will protect the state's homeowners against predatory lending abuses on high-cost home loans (with a broader, more accurate definition of

high-cost loans than currently exist in HOEPA, the relevant federal law), and

*Be it further Resolved*, That the Providence City Council calls upon the U.S. Congress to reject HR 833 and to respect the authority of state and local elected officials to protect their constituents from predatory home loans that strip away hard-earned home equity, trap borrowers in excessive interest rates, and frequently cause families to lose their homes.

*Resolved*, That the City Council endorses and urges passage by the General Assembly of (2003-H 5919), An Act relating to education — health and safety of pupils.

Resolution in support of (H-5081) and (S-180):  
Resolution for the Separation of Powers.

*Whereas*, The Voters of Rhode Island, on two separate occasions, have overwhelmingly voted in favor of amending our State Constitution in order to provide more of a balance of power among the three branches of government; and

*Whereas*, Bi-partisan legislation amending our Constitution to effectuate the changes necessary to carry to fruition this desire of the citizens of Rhode Island has been introduced in the House of Representatives (2003-H 5081) and in the Senate (2003-S 180); and

*Whereas*, (2003-H 5081) was co-sponsored by 38 of the 75 state representatives, including 27 Democrats and 11 Republicans, and (2003-S 180) was co-sponsored by all but 3 of the 38 Senators, and these companion bills are fully supported by good government advocacy groups which have worked on the Separation of Powers issue for years.

*Now, therefore, be it Resolved*, That the Providence City Council hereby expresses its full support for the passage of both (2003-H 5081) and (2003-S 180), and urges the House of Representatives and the Senate, respectively, to pass these bills as promptly as possible, and that a copy of this resolution be forwarded to Representative Bruce Long and Senator Teresa Paiva Weed and to each city and town in the State of Rhode Island.

## PERSONAL EXPRESSION

**COUNCILMAN IGLIOZZI requests the privilege of the floor to speak on a point of personal expression and states:**

First of all I would like to say that on the issue the topic of course is my proposed resolution that was forwarded to the Finance Committee. I want to say about the finance situation, first of all there is some good news for the City's finances and we should all be congratulated in this aspect. Per last years budget, excuse me, we should also congratulate the Chair of the Finance Committee, the Finance Committee, the Internal Auditor, the Finance Director and his staff because we all took the appropriate initiatives to further cut the School Department and address overtime issues just to name a couple. In fact, per the KPMG Independent Auditor Report, the City's net assets increased by 10.6 million dollars, the Water Supply Board increased in net assets of 11.3 million. Also, there is a budgetary surplus of approximately 11.2 million dollars. This represents the City's 22nd consecutive budget surplus and increased accumulative fund balance to approximately 18.5 million. Also, we need to note good work at the Tax Collector's Office who has been doing a spectacular job for collection rates for the past three months and also the no waiving of interest policy that was instilled by Finance Director Prignano who has benefited us all. Although the past year has been very tumultuous the City Council and the Administration has been able to maintain the City's excellent bond rating and has kept down interest rates but as usual we have a impending budget gap to contend with and the exact figure remains to be tallied. Kudos to the present administration for acknowledging the gap and implementing several stop gap measures now such as re-vamping the two lists of \$300,000.00, review of purchasing which is an additional savings of \$400,000.00 and proposing several novel ideas

like City sponsorship agreements with corporations and even a City Soda but to error on the side of caution, we should look to other cities and towns which have faced these types of financial concerns and one of the most important steps that they all enacted was a hiring freeze except for non-essential personnel. In fact, just a few years ago the Town of Johnston faced similar issues and in less than fifty days it will retire its debt and will be running a surplus and once again the Town of Johnston will be on solid financial ground. Congratulations to the people of Johnston, it's Mayor and the City Council and it's civic leaders. Please note that one of the most important actions Johnston did was a hiring freeze, it just made sense. In fact, tonight before the City Council we are receiving an additional job request, for example the Board of canvassers and the Board of Licenses, totaling approximately \$60,000.00 that the City at this time could hold off paying until we get our financial situation into a better light. Also, since Mr. Aitchison has been reinstated in his position until of course the Board of License Administrator issue is resolved by the courts some sixty days from now the City's other hire who is in that position, although quite competent probably should do the honorable thing and step down from City service until this issue is resolved and not accept a transfer to another higher paying position of \$60,000.00 plus benefits. A position that may be in the budget and it was in the budget but wasn't filled and that is approximately \$120,000.00 just for three positions simply that we could hold off on. Also, our own City Council Internal Auditor has made several suggestions including a hiring freeze which further supports the necessity of this action. Also, I'm sure this extremely pro-active administration which will embrace this request as a positive financial action. Therefore, when this request goes to the Finance Committee I urge my colleagues to take action to lessen the

load for the taxpayer and help close the budget gap but all of us in the City Government work together to make Providence a better place, to

raise a family, create businesses and continue to make Providence a City we can all be proud of. Thank you Mr. President.
