Dear Joe:

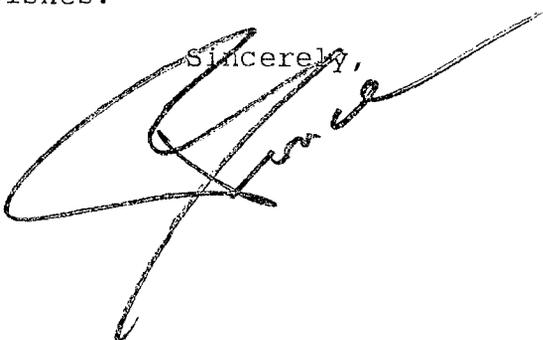

This letter will constitute my resignation, effective immediately, from the Providence School Board. Obviously, this resignation is prompted only because I was recently elected Governor of Rhode Island, and am totally occupied in transition activities.

I am grateful for the opportunity of serving on the School Board, and feel that good progress was made during my tenure in the areas where I had some responsibility. For five years I served as Chairman of the budget sub-committee, and I am proud that we had three years of surplus and a surplus for the period. The variance from budget for the 5 years was only 1%. The Early Intervention Program which I supported with Superintendent Almagno helped lower the drop-out rate by 25%, and today's Providence Journal confirms that MAT scores have increased substantially, and above the national average.

It was an honor to also chair the search committees that selected Superintendent Almagno and more recently Superintendent Roberti, both highly qualified individuals with innovative programs. Thank you for the opportunity to serve on the Providence School Board. To be involved with the education of elementary and secondary students is a very important and satisfying public service.

Best personal wishes.

Sincerely,

BGS/wl

Dear Joe:

It is with deep regret that I tender my resignation from the Providence Redevelopment Agency. The opportunity you provided me to serve our city was greatly appreciated.

The good government standards set throughout your administration made it a joy to discharge my responsibilities as Chairman. I believe all the members of the Agency and your most competent professional staff led by Tom Moses felt the same way.

These associations I shall miss very much. However, this loss, I am sure, will be more than offset when we all reflect on the accomplishments we made as a part of your team over the past six years.

As you complete one of Providence's finest public administrations, may I extend to you all the good fortune that a person of high integrity deserves.

Most sincerely,

Edmund M. Mauro, Jr.

Dear Joe:

This letter is to submit my resignation, effective immediately, as Chairman of the Providence Housing Authority. Obviously, this resignation is submitted only because I have been elected Governor of Rhode Island, and am now totally occupied in transition activities.

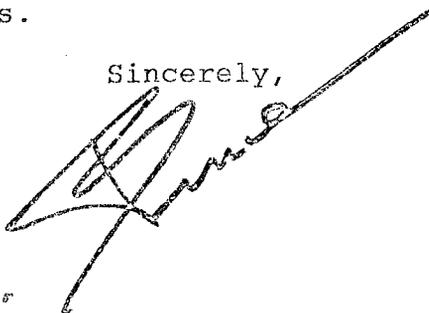

I have had a wonderful time as Chairman of PHA, and feel that the agency has shown considerable improvement during my tenure there. You may recall that HUD rated us as "minus 2 or 3" on a scale of 10 when I took over, and recently gave us a "10" plaque to designate our very substantial improvement. Much of the credit for that improvement goes to Steve O'Rourke and the staff, but I am most grateful for the opportunity which you gave me to serve on the PHA, and I am proud of what we have been able to accomplish there.

I am also proud to have been able to have served in your administration, and I congratulate you on all that you were able to accomplish during your tenure as Mayor.

In addition, Marjorie and I congratulate you and Lianne on the expected addition to your family. I knew politics made strange bedfellows, but I never knew that a primary election was an aphrodisiac.

Best personal wishes.

Sincerely,
