The Honorable City Council  
Committee on Public Works  
City Hall  
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause the replacement of missing Stop signs along Milk Street at its intersection with Bogman Street.

Disposition: At the time of this request, our records indicated that no control existed at this intersection. We, therefore, conducted a traffic survey and determined that a traffic control was warranted. A traffic regulation was written on this date to cause the installation of a "STOP" control on Milk Street.

Very truly yours,

A handwritten signature in cursive script, reading "Frank A. Tibaldi".

Frank A. Tibaldi  
Traffic Engineer
