Providence 3, R. I.

February 13, 1959

Ref: #3066

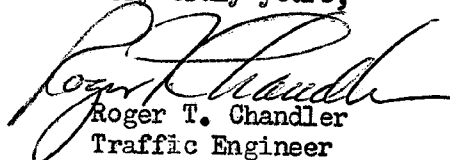

The Honorable City Council
City Hall
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has investigated the petition to the City Council for a two-hour parking restriction on Meridian Street between Eaton Street and Salter Street. Several observations have been made of the parking situation on Meridian Street through former requests. The results of these investigations indicated a concentration of approximately 8 cars parked close to Eaton Street leaving approximately 20 spaces vacant in this area between Eaton Street and Salter Street.

Since there are curb-cut driveways in all of the dwellings and empty space available at the curb during the day, it is the feeling of this department that No Parking restrictions are necessary at this time.

Very truly yours,

Roger T. Chandler
Traffic Engineer
