SUPPOSE YOU HAD

at your finger's ends full information on every Textile Mill, Dyer and Finisher in the U. S. and Canada. Imagine the value of knowing just when every mill was established, its capital, officers' and buyers' names, kinds of goods made, machinery and New York or Boston office address!

Why not take a short cut to hundreds of new firms you could profitably know, and get in touch with them? For the last eight months, our organization, established 1885, has been using its energy to give you the above information. If you save only half of one per cent on your purchases, or if you find just a few new firms to sell to or buy from, it should pay for the book a hundred times.

If you want any particular kind of cotton or woolen goods, the manufacturers are also classified by goods made, making it easy to find the line you desire. The whole industry is accurately and fully reported from cotton, wool, waste and yarn dealers machinery and supplies, to mills, agents, commission houses, converters, dyers and finishers, etc., all carefully thumb indexed for quick reference, in addition to regular alphabetical indexes.

WE TAKE ALL THE RISK—BECAUSE

we know from the thousands who are using our volume, that when you see our latest 36th annual DAVISON'S TEXTILE BLUE BOOK, there is little risk of your returning it. Sent on approval to responsible firms.

DO YOU WANT OFFICE SIZE at $7.50, HANDY SIZE at $5.00, OR SALESMEN'S EDITION at $4.00
