Dear Mayor Olmert:

I am writing in response to your letter in which you informed me of the celebration of the Trimillennium of Jerusalem. This exciting, historic event holds special meaning and significance to countless individuals living all throughout the world.

I would like to thank you for your invitation to join the festivities by naming a street, square, or park in Providence in Jerusalem's honor. This is an especially appropriate initiative as it will not only pay tribute to Jerusalem, but it will strengthen our common bonds as part of humankind.

In order for this initiative to come to its fruition it must undergo approval by the Providence City Council. I am forwarding a copy of your letter to Council President James Petrosinelli.

Throughout my tenure as mayor, I have demonstrated my solid commitment to meeting the needs of our Jewish residents. The City of Providence provided substantial funding to finance the design, construction, and installation of the Rhode Island Holocaust Memorial Museum. Additionally, through my leadership and initiative the City of Providence Retirement System has purchased a total of \$800,000 in State of Israel Bonds.

The Honorable Ehud Olmert
