MEMORANDUM

May 26, 1993

TO: Michael R. Clement, City Clerk
FROM: John F. Palmieri, Acting Deputy Director 
RE: Reorganization - Planning and Development

Several weeks ago, the Committee on Finance considered the request of the Department to amend the classification and compensation ordinances to create two (2) assistant deputy directors for the department. After consideration, the department is requesting the committee to amend the proposed ordinances as attached. This amendment calls for the creation of one position: Deputy Director/Planning and Policy. This position is being created for Thomas E. Deller. The creation of this position will have no impact on the Department's budget because we will be eliminating two other positions.

This proposal has been discussed with Councilman Dillon. The Councilman is expecting this proposed ordinance so that he may distribute it at the next committee meeting.
