Dear Councilman Dillon,

The Linwood Court Tenant Association represents families in the 18 apartments at 102, 104, and 106 Linwood Avenue. We are writing to you because we are concerned about the safety of residents and their children at Linwood Court and in the neighborhood. Specifically, we are concerned about the intersection of Linwood Avenue and Cranston St.

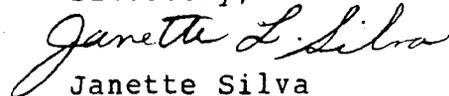

This is a dangerous intersection and needs a traffic light. Because there is no traffic light, cars go too fast down Cranston St. As a result, there have been five car accidents at that corner in the past month. Compounding the problem is the fact that delivery trucks park to unload for the stores, and make visibility of oncoming traffic difficult, and sometimes impossible.

There is a great deal of foot traffic in the area as well, and pedestrians are endangered.

We hope that you will act on this problem right away, and get a street light installed at the corner of Linwood Ave. and Cranston St. Last summer a child was hit by a car there. Please don't wait until it happens again.

You can contact me at 102 Linwood Ave., Apt #5. I look forward to hearing from you.

Sincerely,

Janette Silva

Dear Councilman Dillon,

I am writing this letter, on behalf of all tenants living in Linwood Court and concerned residents in the neighborhood, primarily to express once again our concerns regarding the safety of residents and their children in the neighborhood.

As I mentioned in the previous letter (copy enclosed) we are seriously in need of a traffic light at the Linwood Avenue and Cranston Street intersection. Over the years, many vehicle accidents had happen at this particular intersection due to the fast traveling traffic and children have been hit several times.

As our elected councilman, we are addressing this problem to you and we demand that you and the city of Providence resolve our safety problem before anybody else gets seriously hurt or even die. If you have any questions regarding this issue, please don't hesitate to contact me at 102 Linwood Avenue, Apt. #5. I hope that this letter will receive your prompt attention. Thanking you in advance.

Sincerely,

Janette Silva
