

THE CITY OF PROVIDENCE  
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

# RESOLUTION OF THE CITY COUNCIL

No. 715

Approved August 12, 1979

WHEREAS, Energy has become a dominant national problem in the wake of oil shortages, the limited supply of fossil fuels and the recent mishaps at nuclear plants leading to a weakening of public support of nuclear power as a major alternative source of energy, and

WHEREAS, Fusion presents a cleaner and more safe reduced alternative to nuclear fusion with a greatly possibility of any radiation problems, and

WHEREAS, The necessary research and development of fusion an operational alternative energy source needs strong public and political support,

NOW, THEREFORE, BE IT RESOLVED, That the Providence City Council is requested to give its support to research and study in the development of fusion as an alternative power source.
