The Honorable City Council  
Committee on Public Works  
City Hall  
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause the installation of a Motor Vehicle Traffic Signal Light at the intersection of Branch Avenue with Veazie Street.

Disposition: This department has conducted and completed a number of traffic surveys at this intersection. The information we compiled shows that a traffic signal is warranted. We will place this intersection on our list for installation when funds are available.

Very truly yours, <
