

RESOLUTION OF THE CITY COUNCIL

No. 712

Approved December 28, 1998

WHEREAS, Jamil Hindi has petitioned the City Council for permission to encroach into the public way; and

WHEREAS, said encroachment is necessary to accommodate the construction of an enclosure of an existing stairwell located at 566 South Main Street; and

WHEREAS, passage of the within resolution would ratify construction previously undertaken at the above-cited location; and

WHEREAS, Cynthia Simmons appeared at a meeting of the Council Committee on Public Works and voiced her support of the petition. It is found that said Cynthia Simmons, owner of the subject realty, by said appearance and by obtaining a building permit for said construction, has impliedly joined in the petition; and

WHEREAS, after study of Petitioner's request, the City, acting through its appropriate authorities, has determined that the proposed encroachment is not adverse to the public interest,

NOW, THEREFORE, BE IT RESOLVED That the Petitioner is granted permission to encroach upon the public way for the purpose of constructing and maintaining an enclosure at or near the entrance to the building located at 566 South Main Street. Provided, however, that said grant is specifically conditioned upon:

1. All construction with relation to the said ramps is to have been completed in accordance with plans and specifications submitted by the Petitioner to the city Department of Inspection & Standards as those plans may have been modified and/or approved by said department and the Council Committee on Public Works. (Copies of the subject plans are attached hereto).

2. The Petitioner shall supply and retain in effect a certificate of insurance in an amount of not less than one hundred thousand dollars (\$100,000.00) protecting the City of Providence and its successors and

assigns, its agents, servants, officers and employees as additional-named insureds against claims for the construction, maintenance and/or existence of said ramp and wall encroachments. Said insurance shall be acceptable to the Department of Law.

3. The Petitioner shall execute an indemnification and hold harmless agreement satisfactory to the City Solicitor.

4. The Petitioner shall grant to the appropriate public utility(ies) and/or governmental agency(ies), by pertinent document, any easements, licenses, or the like, so as to maintain public services.

5. A certified copy of the within Resolution shall be recorded in the Office of Land Evidence of the City of Providence.

6. Any rights or obligations granted hereunder shall be deemed to run with the land and shall operate against any and all successors in interest and/or title .

7. Any rights or obligations granted hereunder shall remain in full force and effect for so long as the encroachment permitted hereby does not cease to be utilized for the purposes for which it was granted.

8. Such other reasonable conditions as the Mayor and/or the Department of Law may impose hereunder.
