# Providence House Directory

COPYRIGHT, 1919, SAMPSON & MURDOCK CO., PROVIDENCE, R. I.

Giving the location of street, and showing what other streets and places run from it or across it, with the number at which they intersect. From this list the location of any number on a street can be easily ascertained; as, for instance, wishing to know at what part of Westminster Street No. 1129 comes, you look at Westminster Street, and find that Knight Street runs from 1069, and Bridgham Street from 1191, showing that 1129 Westminster Street would come about half-way between Knight and Bridgham Streets.

A list of Householders and Business Places arranged in numerical order upon their respective streets; those upon the right side of a street appearing first, followed by those upon the left side.

The streets are arranged in alphabetical order.

The location of intersecting streets is clearly shown at the actual number where they intersect.

Business places are denoted by the street number printed in heavy-faced figures. When a person's place of business and residence are at the same place, it is indicated by the use both of heavy-faced figures for the street number and of the abbreviation h at the end of the line. Names of boarders are designated by the letter b after the name. Names preceded by light-faced figures and having no abbreviation after them are housekeepers.

The abbreviation r between the street number and the name signifies "rear", but when it follows the name, "rooms"

Abbreviations:—Ab, above; adv, advertising; agt, agent; al, alley; av, avenue; apt, apartment; bel, below; bet, between; b or bds, boards; bldg, building; B U, Brown University; B'way, Broadway; B S B Co, Bethlehem Ship Building Co; B & S, Brown & Sharpe; c or cor, corner; com, commission; com mer, commission merchant; com'l, commercial; dep, deputy; dept, department; E, East; est, estate; exch, exchange; fl, floor; h, house; ins, insurance; insp, inspector; inst, instructor; mfr, manufacturer; mer, merchant; mfg, manufacturing; mgr, manager; mkr, maker; mkt, market; N, North; n, near; opr, operator; opp, opposite; phone, telephone; pl, place; pres, president; prof, professor; pub, publisher; P F D, Providence Fire Department; r, rear or rooms; rd, road; rm, room; rms, rooms; S, South; sec, secretary; sq, square; st, street; steno, stenographer; supt, superintendent; tchr, teacher; tel, telegraph; treas, treasurer; up, upper; U S A, United States Army; U S N, United States Navy; var, variety; Wash, Washington; W, West; whf, wharf

# Integrity, Ability and Experience—Incorporated

The words printed above express in small compass the whole idea of trust company service as exemplified by the Rhode Island Hospital Trust Company.

A Corporate trustee or executor like this offers you several advantages over an individual undertaking to act in similar capacities. Among the outstanding advantages are these:

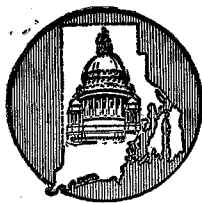

***Collective and Extensive Experience*** of a group of trustworthy men who are specialists and experts in their particular lines.

***Freedom from any Personal Bias*** or partiality in the management of property or the handling of trusts.

***Uninterrupted and Permanent Attention*** to the interests placed in its hands.

***Strict Supervision by Banking Authorities.***

And all these advantages are secured at no greater fee than that to which the individual trustee or executor is entitled

## *It's the ammunition as well as the gun*

The Russians failed, we are told, largely because of the lack of the proper ammunition for the artillery they possessed. Many a well prepared mail order campaign comes to grief because the letters fail to touch the "buying spot" in the prospect's heart. Our multigraphed form letters are made up with such attention to every detail that a proposition worthy of success is accorded the most favorable attention from the very first.

***Letters Like This  
Bring You  
No Business***

No person will be inclined to regard with favor any letter that shows a lack of care in addressing. Are you using a mailing list that has misspelled names, wrong initials or incorrect addresses? All these faults work against the success of a mail order campaign and ALL of them can be remedied by us at a very reasonable rate.

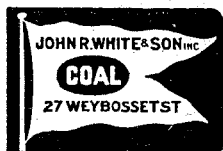

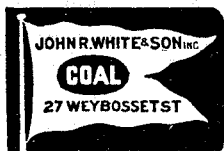

### *The Sign of Quality*

placed on our work is for your protection. We are prepared to stand behind our lists and will guarantee them as accurate as changing human nature will allow.
