**Document Comments**

Dated February 27, 2025, requesting Approval to Exercise Option Year #1, with the following bidders, for Providence Citywide Pavement Markings, the department would like to extend the use of the bid prices for an additional year to perform pavement marking projects as we don't believe bid prices will be reduced if these pavement marking projects are rebid, the vendors have agreed to honor the same Terms & Conditions and the same prices of the original award, for a total contract amount not to exceed \$200,000.00.
