Dear Mr. Clement:

City Council Resolution 280, dated May 16, 1994, requested the Board of Park Commissioners to submit the Triggs Lease to the City Council for approval. This matter was discussed at the June 14, 1994 meeting of the Board of Park Commissioners.

The Board has directed me to communicate to you, on its behalf, that the Board has acted with full authority in this matter and that all necessary legal requirements have been met in the execution of this lease. The Board of Park Commissioners has the authority to administer and operate the public parks of the city under Section 45-2-18 of the General Laws of the State of Rhode Island and Section 1003 of the Providence Home Rule Charter. The operation of Triggs as a municipal golf course is clearly the responsibility of the Board of Park Commissioners.

Therefore, the Board has voted not to submit the Triggs Lease to the City Council for approval. The Board had intended to forward a copy of the document, but noted that each member of the City Council had previously been given a copy of the lease for their information.

Sincerely yours,

NANCY L. DERRIG
Superintendent of Parks
